MESSAGE

It gives me immense satisfaction to know that the Department of Social Security and Empowerment of Persons with Disabilities is again bringing out its Annual Activity Report for the year 2018-19.

Since its inception the Department has been working relentlessly for the all-round development of differently-abled persons. The department also provides social security pension, pension to destitute and persons with disability through a plethora of schemes. Many such schemes are meant for the welfare of senior citizens, persons with disabilities, transgender and victims of substance abuse. The dedicated approach envisages empowerment of differently-abled persons and social security of senior citizens.

The Department aims to create a conducive environment thereby facilitating the well being of the persons with disabilities, transgender, persons with addictions and senior citizens. It has been the constant endeavour of the Government to mainstream them and help them to realize their inherent potential.

I hope, the Annual Activity Report replete with valuable information, which will greatly help to frame future course of action.

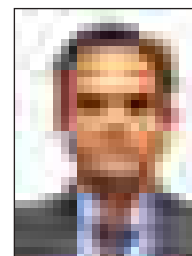

While supporting and congratulating all the members associated with the SSEPD Department, I wish the publication of Annual Activity Report all success.

MESSAGE

The more we do, the more we have to do. The year 2018-19 began with higher targets to achieve than the previous years put together. We realized that as India marches ahead on the path to greater technological advancements and higher economic growth, people with disabilities both physical, social and intellectual, senior citizens, transgenders, victims of substance abuse, widows and beggars also need to be enabled to reap all the advantages of the unfolding opportunities.

In response, the Department intensified its efforts to empower them by setting in place new institutions as well as strengthening the ones that exist. The Advanced Rehabilitation Centre (ARC), with state of the art technology for manufacturing custom made prosthetics and orthotics, is an answer to the aspiration of every person with disability to be as physically whole as possible. The State Institute of Empowerment of PwD (SIEP) that has been set up as a registered society has the mandate of social and economic rehabilitation without which creating an inclusive society would remain a utopia. At the root of the problem of persistently low educational achievements of the PwD, lies the dire need of certified special educators. The State Institute for Special Education and Research (SISER) has therefore been established in collaboration with the NCVPD Dehradun. The institute will offer courses certified by the Rehabilitation Council of India. The Braille Press has received substantial funding from the Department for up-gradation to keep up with the growing demand of Braille books. This is a sign that there are more students with visual disabilities in school now. The SIDR together with the RCDRs and DDRCs have served even higher numbers of PwD this year. They have taken Odisha to the third position among all states in the country in UDID certification.

Our collaborations with NGOs, civil society groups as well as FBOs have helped us to reach out to the senior citizens, persons with addictions, children with severe disabilities and in need of care, persons affected by Hansen's disease and transgenders in unique ways. They have helped us understand that we can adopt several approaches, models and processes to achieve our vision of an inclusive, empowering and equal society. We particularly appreciate TATA Trusts, UNICEF-India, Sightsavers-India, Brahmakumaris and VVKI-Art of Living along with so many others who have partnered with us to make the impossible possible.

As I present the Annual Activity Report for 2018-19, I am filled with a sense of achievement as well as humility. I realize that each officer and functionary of this Department has worked as if it were their moral duty and personal responsibility to take care of the senior citizens, persons with disability, persons with addictions, widows, destitute, beggars and transgenders by treating them with dignity while taking care of their needs. The milestones crossed in this report are due to their cumulative and coordinated effort.

I hope the enthusiast who reads this report will join us in our endeavour.

Chapter 1 INDRODUCTION

Government of Odisha created the Department of Social Security and Empowerment of Persons with Disabilities on the 1st of July 2015. The services provided by the Department focus on measures to improve accessibility and equality of opportunity, promote participation and inclusion and increase respect for the independence and dignity of the persons with disabilities, the elderly, the transgender and those with addictions.

VISION

The Department's vision is to create a social environment that facilitates well-being of the Pensioners, Person with Disabilities, Transgenders, Victims of Substance Abuse and Senior Citizens.

MISSION

The Department's mission is to develop and apply financial, physical, intellectual and social capital for the welfare of Pensioners, Persons with Disabilities, Transgender persons, Victims of Substance Abuse and Senior Citizens by networking and converging with Community Based Organizations, NGOs, Banks, Universities, Corporates, Government Organizations and other stakeholders.

RESPONSIBILITIES

- Understanding and dealing with the causes of poverty rather than its symptoms.
- Providing income support to elderly, widows, persons with disabilities and transgender persons.
- Improving equality and reducing discrimination and disadvantage for the senior citizens, persons with disabilities, persons who abuse substances and transgender persons.
- Encouraging the use of the social model of disability management which is based on the premise that disability is created by barriers in society.
- Encouraging people with disabilities to work and be independent.
- Strengthening organizations that are led by persons with disabilities, senior citizens and transgender persons.
- Coordinating across government departments for implementing the strategy outlined in the Rights of PwD Act, 2016.
- Controlling substances which are being misused and are capable of having harmful effects on individual and society. Providing treatment and nurturing social support for persons with substance addictions.

- Removing barriers to equality and helping to build a just society on issues relating to sexual orientation and transgender equality.
- Supporting transgender persons.

PRIORITIES:

- Run an effective welfare system based on pensions to the elderly, widows, persons with disability, beggars and transgender persons.
- Enable people to achieve financial independence by providing skill development and guidance into employment.
- Work with other government departments to remove barriers so that elderly, widows, persons with disability, beggars and transgender people are able to fulfil their potential and participate fully in society.
- Develop working partnerships with disabled people and their organizations.
- Prevent drug and alcohol abuse and the harms it causes. Support persons to recover from dependence on drugs and alcohol.
- Address the discrimination and inequalities that transgender people face. Eliminate transphobic bullying in schools, educational institutions and work places
- Deliver outstanding services to our citizens and claimants.
- Help local organisations build inclusive and accessible communities.

Highlights of Achievements

Capacity expansion for improving the delivery system

With the aim of focused delivery of social security services like pensions, scholarships, livelihood support, rehabilitation, and undertaking social audit of programmes. Odisha became the first State in the country to have exclusive extension

network for PwD at Gram Panchayat Level.

For the creation of synergy among all social security officers towards achieving Departmental goals and setting priorities and at the same time avoiding overlaps and filling gaps, a one-day conference of all DSSOs is held in the state headquarters every month. There are regular orientation and training programmes for the Block Social Security Officers and field staff at state headquarters to inspire them to be adept at their job responsibilities, departmental procedures and most importantly to provide timely service. As representatives of the Department in the field and the face of the Government to the beneficiary, the social security officers are the pivotal functionaries of the Department of SSEPD.

Chapter 3

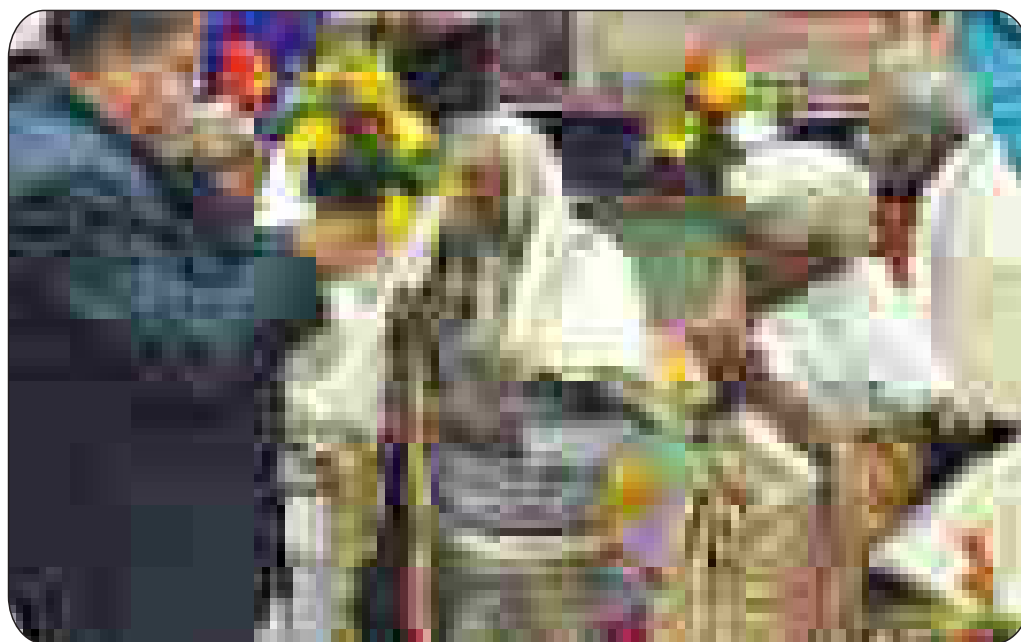

POLICIES OF THE DEPARTMENT

SENIOR CITIZENS POLICY

The Odisha State Senior Citizens Policy 2016 in consonance with the National Policy for Senior Citizens 2011 reiterates the commitment of the State of Odisha in ensuring its citizens that they are able to age with security and dignity and continue to participate in society as citizens with full rights. It emphasizes eight areas of intervention, namely income security in old age, health care, safety and security, housing, productive ageing, welfare, inter-generational bonding and enhancing involvement and participation of media on ageing issues. The issues of the senior citizens are cross-sectional

and demands strategic partnership across government departments, the public and private sectors, the non-governmental organizations, voluntary organizations, civil society and local communities.

For the implementation of the Odisha State Senior Citizens Policy 2016 and the maintenance and welfare of Parents and Senior Citizens Act 2007 a State Council under Chairmanship of the Minister, Department of SSEPD has been formed. This council will plan, monitor and make recommendation on programmes meant for the welfare of the Senior Citizens in the State. A high level Co-ordinator Committee has also been

During Celebration of International Senior Citizen's Day

constituted under the chairmanship of the Principal Secretary Department of SSEPD.

According to Section 18(1) of the "The Maintenance and Welfare of Parents and Senior Citizens Act, 2007", the State Government has declared the District Social Security Officer (DSSO) of the concerned District as "Maintenance Officer" to represent a parent if he so desires, during proceedings in the Tribunal or Appellate Tribunal.

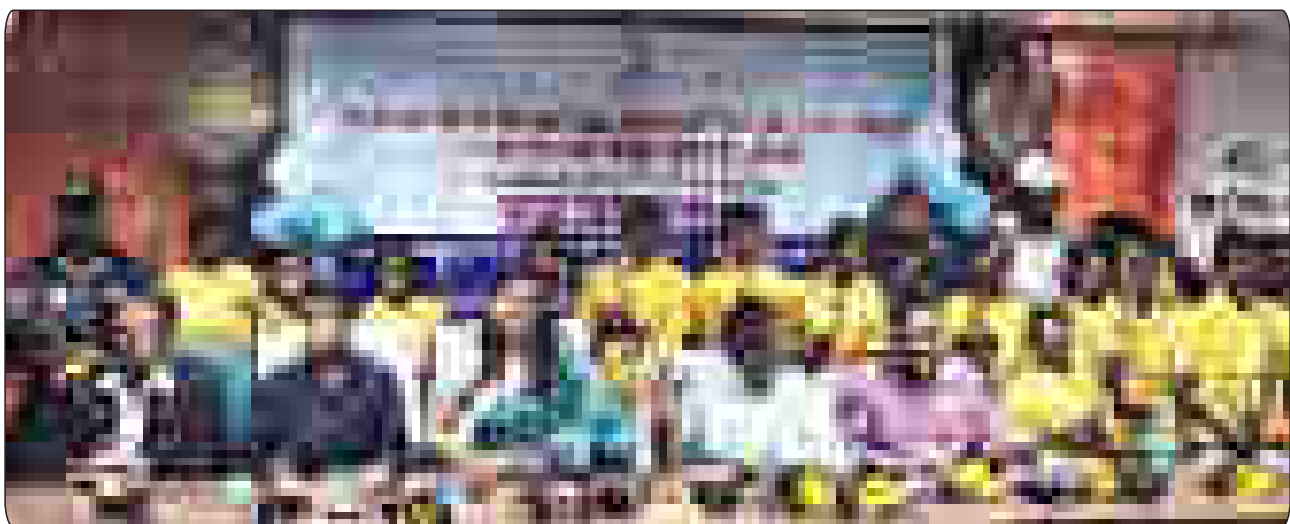

The Collector and District Magistrate is the Ex Officio Chairman of the District Committee with Additional District Magistrate, Superintendent of Police, P.D, DRDA, Chief District Medical Officer and Sub-Collector as Ex-Officio Members. The DSSO functions as the Member Secretary Ex-Of fiction. Specialists & Activists in the field of welfare of Senior Citizens, NGO Representatives running Old Age Homes or Day Care Centers or any other IPSC Project and Eminent Senior Citizens have been included as Members.

For the welfare and protection of Senior Citizens. Senior Citizen Security cells are functional in all police station of the state.

PwD POLICY

The disability policy of the Government of Odisha is based on the Rights of Persons with Disabilities Act 2016 and ensures equality of opportunities by providing an enabling environment, access to education, eliminating discrimination, involving them in the formulation and execution of programmes, encouraging their participation in public life and meeting their needs through services and facilities.

It develops and promotes strategy on disability across government departments and organizations as per the Rights of Persons with Disabilities Act 2016 and works in partnership with other organizations and institutions to showcase approaches to social, economic and public participation and share learning through joint projects.

The Department Encourages the latent talents of PwD

The Department runs campaigns on various disabilities to strengthen and protect disabled people's rights.

PENSION POLICY

To reduce the risk of falling into poverty, social security pension is a non-contributory regular payment from the government that one can claim if one's annual income is below the poverty line when he/ she reaches sixty years of age; is a widow or a widow of a person who has died of AIDS; is a person with disability or a person who has had Hansen's Disease.

The Government of Odisha has its own pension scheme the Madhu Babu Pension Yojana alongside the Government of India's National Social Assistance Programme. It has modernized pension disbursement through AADHAR seeding of existing lists to make it hassle free, timely and to ensure that everyone included in it is able to enjoy a secured life.

TRANSGENDER POLICY

On the basis of a survey of transgender people commissioned by the Department the transgender policy of the Government of Odisha has been launched. The Department of SSEPD aims for an inclusive society which promotes equality, values diversity and promotes an environment where the rights and dignity of all its citizens are respected regardless of gender.

The Department takes steps to improve the visibility of the transgender population and decrease trans-phobia by creating avenues for their increased participation in public life . The transgender community is encouraged to participate in all public events organized by the Department of SSEPD.

The innovative scheme like SWEEKRUTI has been launched by the Department for transgender persons that provides pre-matric

Aadhar Seeding of Pension Beneficiary at Bargarh

and post matric scholarships, skill and personality development training, financial support to parents and self-employment opportunities.

The Department also ensures that there is convergence and synergy among all Departments and Government organizations towards extending their services to them. They are thus included as individual beneficiaries under the National Food Security Act administered by the Food and Civil Supplies Department and all Municipal Corporations of the state provide basic civic amenities to their residential colonies.

BEGGAR REHABILITATION POLICY

Odisha has the highest population of beggars in the country after the state of West Bengal. According to Census 2011, Odisha has a total of 6550 beggars many of whom are children. In

response to this situation, the Government of Odisha, Beggar Rehabilitation Policy recognizing that beggars are a valuable human resource for the society, seeks to create an enabling environment that provides equal opportunities, protection of their rights and full participation in society. This policy is based on the Persons in Destitution (Protection, Care and Rehabilitation) Model Bill of 2016 of the Government of India. The beggar rehabilitation policy focusses on the following broad objectives:

1. To create an enabling environment to ensure equal opportunities, equity, social justice & empowerment of beggars.
2. To encourage voluntary action and participation of all stake holders for ensuring effective implementation of the scheme.
3. To expand outreach activities for rehabilitation of beggars and create facilities

An Elderly Destitute being rescued

for providing appropriate rehabilitation services.

4. To promote individual and group initiatives by beggars for employment, self-employment and other socio-educational services.

5. To facilitate care of children of beggars including leprosy affected persons and encourage mainstreaming of their daughters.

6. To strengthen the existing implementation machinery and create facilities for coverage of all uncovered areas of the state for ensuring complete coverage of beggars.

The policy also suggests that law enforcement will not be punitive but rehabilitative in nature. Under this rehabilitative approach, the Government will organize the following programmes:

1. Survey & Identification
2. Assistance to Parents
3. Pre & Post Matric Scholarship
4. Skill development training

5. Self-employment kit

6. Self Help Group

7. Rehabilitation Centers

8. Outreach & Mobilization Unit

9. Mainstreaming Award

10. Marriage Incentives & Support

11. Sensitization of Workers & Activists

12. Community Awareness Campaign

13. Research & Documentation

These programmes are to be implemented through, registered Voluntary Organizations or Non-Governmental Organizations, Panchayati Raj Institutions (PRIs), Urban Local Bodies / institutions managed or funded by State / Central or a local body, a registered Public Trust, a company established under Section 25 of the Companies Act, 1956 or any other well established organizations/ institutions which may be approved by the State Government and which can establish and administer the rehabilitation centers.

Chapter-5 Institutions

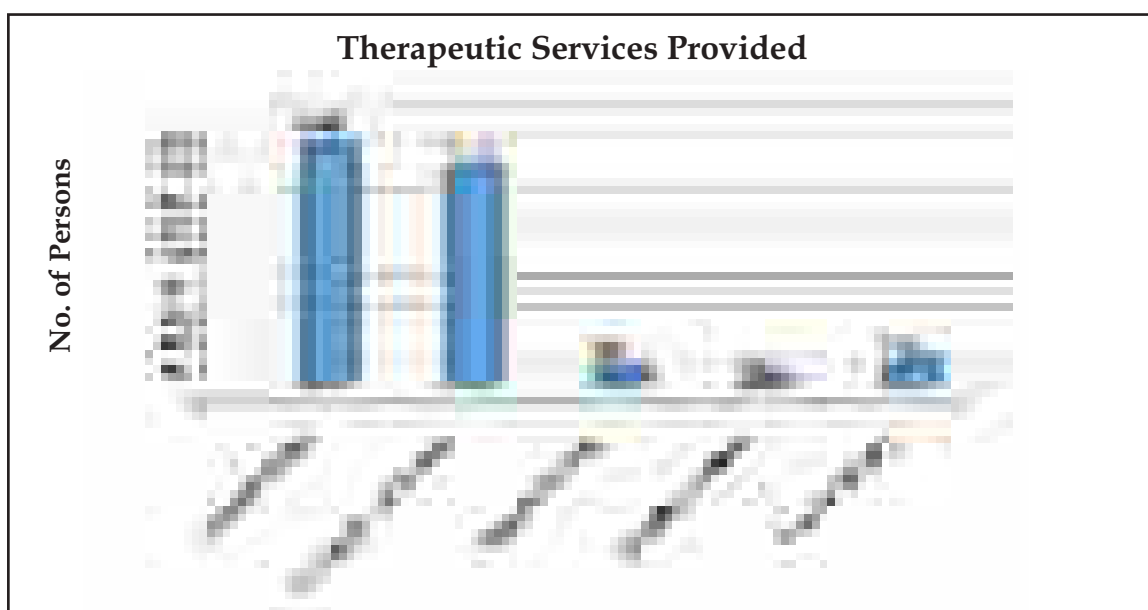

STATE INSTITUTE FOR DISABILITY REHABILITATION

The State Institute for Disability Rehabilitation (SIDR) at Bhubaneswar is the nodal agency for disability rehabilitation in the state and monitors and guides the District Disability Resource Centres functioning in eight districts of the state. It provides specialized medical and social rehabilitation services to persons with physical disabilities. It has staff specialized in orthopedic, intellectual, visual and speech and hearing disability treatment. Psychological counselors and social workers ensure that they are rehabilitated in their families and mainstreamed into society through education, skill development and self-employment. It also

distributes and fabricates aids and appliances as per the requirement of its clients. Specialized equipment such as Brainstem Evoked Response Audiometry (BERA) are used for maintaining precision in assessment. In the year 2018-19, the SIDR was allocated ₹. 240.17 lakh for its various activities.

This year the SIDR has carried out assessments of 72,645 persons with disability and provided therapeutic treatment services to 34,092 persons, surgical correction to 3270 persons and aids and appliances to 15,002 persons. These figures are the highest in any year so far.

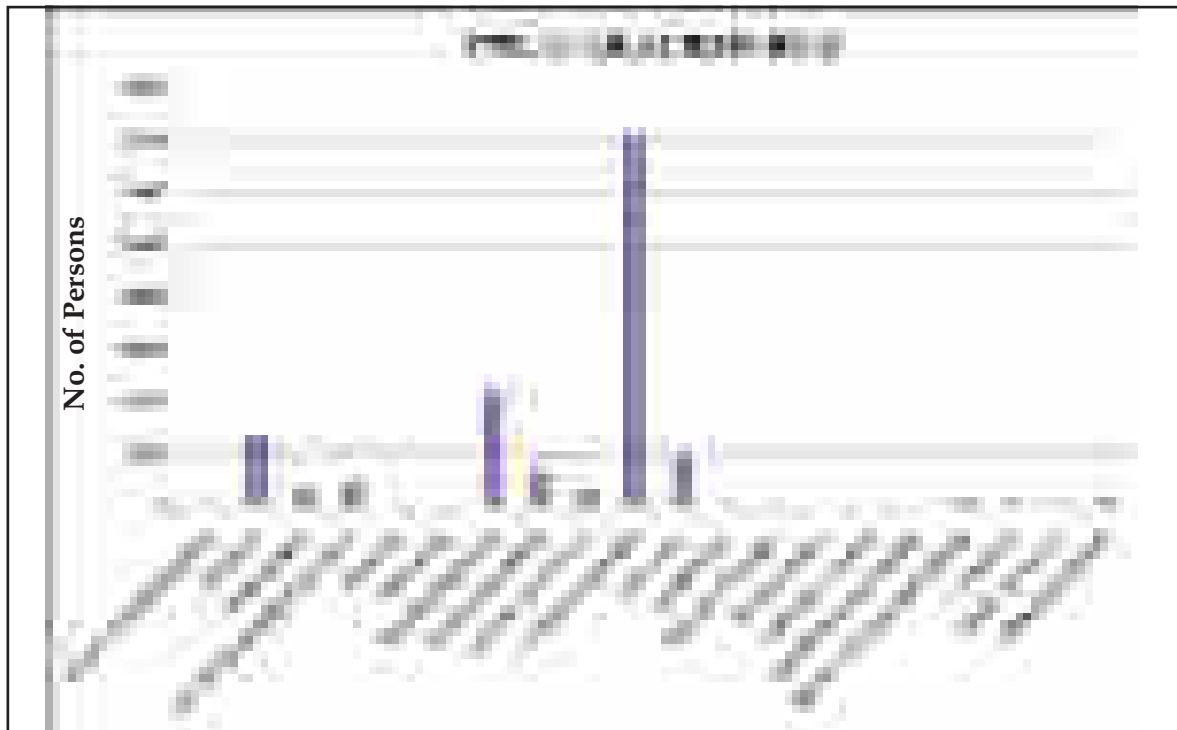

To provide specialized services at the doorstep of the PwD, the SIDR organizes camps in locations convenient for the PwD to reach. This

Magnitude of Substance Use in Odisha

Findings from the National Survey on Extent and Pattern of Substance Use

The Ministry of Social Justice and Empowerment conducted a National Survey on Extent and Pattern of Substance Use in collaboration with the National Drug Dependence Treatment Centre, AIIMS, New Delhi. The survey mapped the availability of services and interventions for individuals suffering from substance use disorders and identified the gaps in service delivery. This report provides both National level as well as at the State level data on the proportion of the population using various substances and those affected by substance use disorders. The major findings of the survey have been published in the report “The Magnitude of Substance Use in India” in February 2019.

The report found that alcohol is the most common psychoactive substance used by Indians. The users aged 10-75 years comprise 14.6% of the population. The prevalence of alcohol dependence is estimated to be around 2.7% with an additional 2.5% consuming alcohol in a harmful manner. The prevalence of alcohol use in the State of Odisha is 31.8% which is higher than the national average of 27.3 %. Every third alcohol user in India needs help for alcohol related problems. In Odisha, 21 lakh people need help with their Alcohol use problems.

Statistics also show that 2.8% of the Indian population reported using cannabis in the last year in contrast to 5.24% in Odisha. Of the 72 lakh individuals all over India, approximately 4.9 lakh individuals reside in Odisha and are in need of help for their cannabis use problem. The prevalence of cannabis use in Odisha is as high as 1.29% and dependence is 0.52% whereas the all India average stands lower at 0.66% and 0.25%. Odisha ranks third among the top ten states in India in terms of number of people needing help with cannabis dependence.

Opioid use among Indians stands at 2.1% of the population. Around 0.55% of Indians receive support for opioid use problems. Prevalence of opioid use in Odisha is 0.8%, dependence is 0.37% and current use is 2.85% whereas the national average is much lower at 0.70%, 0.26% and 2.06 respectively.

All over the country, the number of current users of sedatives (non-medical, non-prescription use) is 1.08% or approximately 1.18 crore people. The current use reported in Odisha stands at 1.66 %. In Odisha, prevalence of sedative use is 0.31% and dependence is 0.17% whereas the Indian average is 0.20% and 0.11% respectively. Presently 1.2 lakh people in Odisha need help with their sedative use problems.

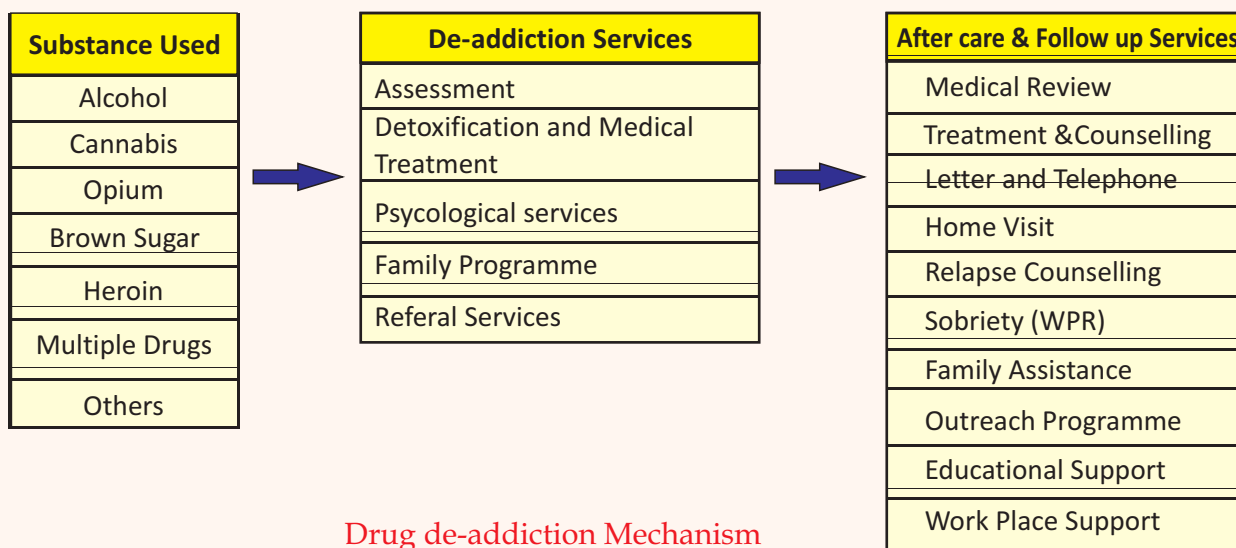

Estimates show that there are about 8184 People Who Inject Drugs in Odisha. Prevalence of ATS use in Odisha state is 0.09% and dependence 0.01%. Prevalence of inhalant users in Odisha is 0.01% and current use is 0.03%

The most significant finding of the Report is the treatment gap or the unavailability of treatment services for people affected by substance use disorders. One in 38 people with alcohol dependence report getting any type of treatment and only about one in 180 people with alcohol dependence report getting inpatient treatment or hospitalization. Among people suffering from dependence on illicit drugs, one among 20 people has ever received inpatient treatment/hospitalization or any other for help with their drug use problem.

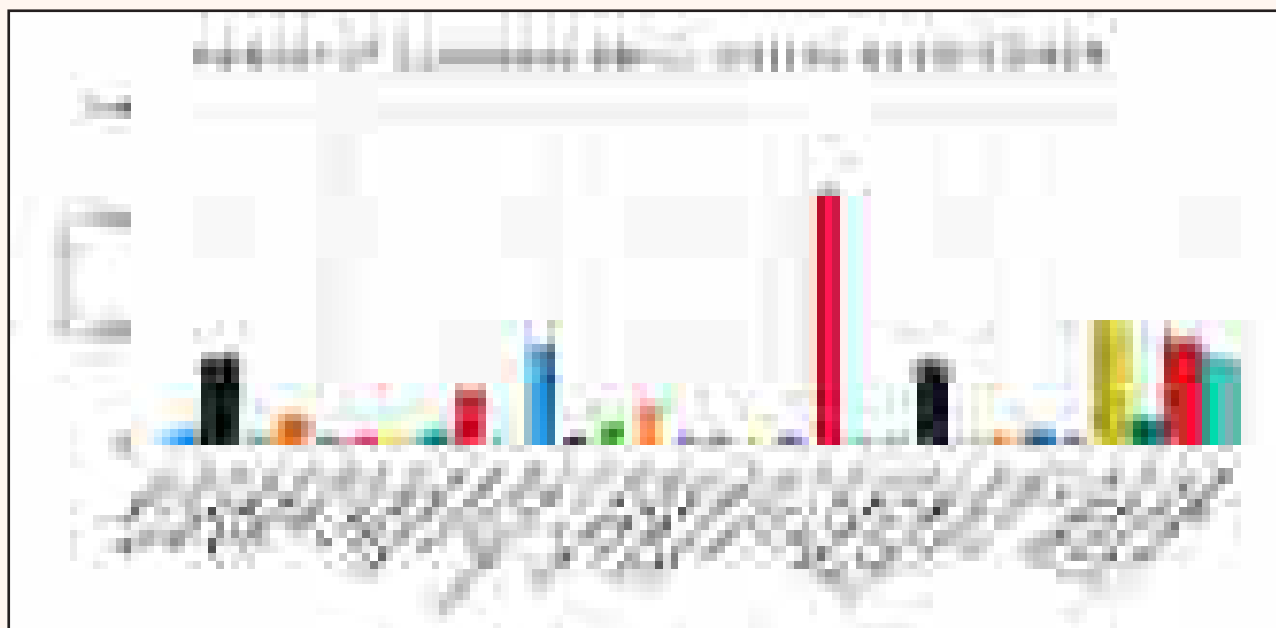

It is evident that a sizable population in the state is affected by substance use disorders and is in need of urgent help. Scientific-based treatment services and evidence-based substance use prevention programmes are urgently needed to protect people especially the youth and the children.

Response of the Department of SSEPD, Government of Odisha.

The Department of SSEPD seeks to establish a close link between substance use treatment services with general healthcare services to reduce the treatment gap. It therefore converges the Central Sector Schemes such as the “Strengthening Drug De-Addiction Programme: Establishing Drug Treatment Clinics” of the Ministry of Health and Family Welfare and the “Prevention of Alcoholism and Substance (Drugs) Abuse Programme” of the Ministry of Social Justice and Empowerment (MoSJE) to set in place an efficient and effective prevention and treatment service for the people with substance use disorders.

Drug de-addiction Mechanism

Districtwise distribution of treatment and rehabilitation of persons with addictions

The Integrated Rehabilitation Centre for Addicts (IRCA) have been equipped by incorporating additional elements such as outreach that aims at generating demand for treatment and facilitates access to services along with outpatient treatment that provides prescription medicines by qualified personnel. Residential treatment is made available to those in chronic conditions. Around 5 crore rupees were sanctioned for De Addiction centers in the 2017-18.

In partnership with faith-based organizations such as the Brahmakumari Ishwariya Vishwavidyalaya and the Vyakti Vikas Kendra affiliated to the Art of Living Foundation social mobilization and awareness campaigns on the harmful effects of substance use are being done. These organizations along with 17 Sarpanches were awarded Rs.20,000/- each for their endeavour to prevent alcohol and substance use in at the community level. (Annexure 16 (A,B,C))

NGO AND CIVIL SOCIETY PARTNERS

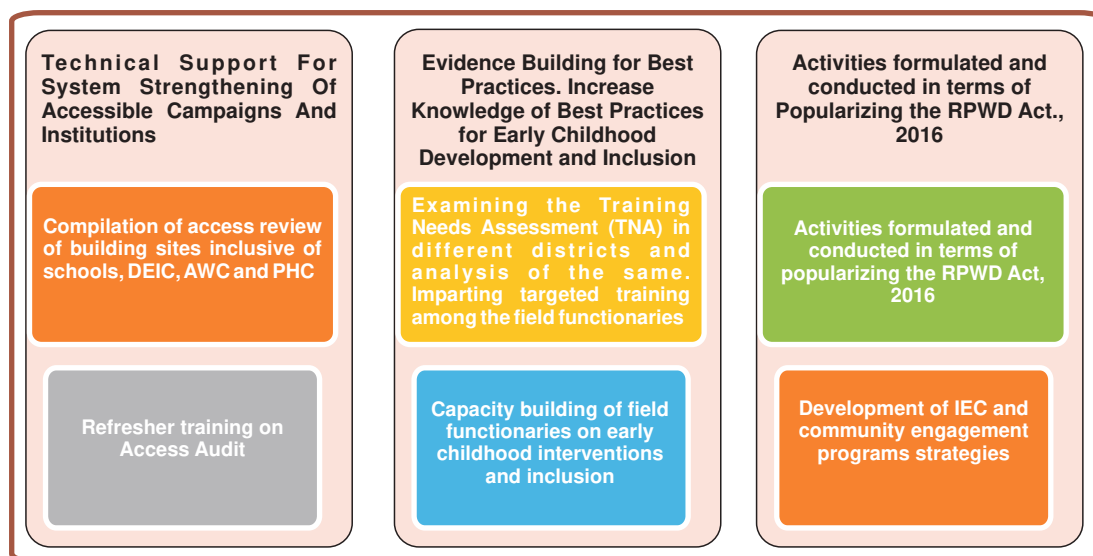

The Department realizes that civil society organisations and NGOs are crucial for the delivery of services and are credible sources of innovative ideas and solutions. It has therefore partnered with several faith based organizations, NGOs and Civil society organisations for reaching out to the unreached. Department of SSEPD has encouraged and supported their activities by creating capital assets for operationalizing niche programmes and services for the PwD, elderly and persons with addictions.

UNICEF-ODISHA

UNICEF- ODISHA as part of its system strengthening and services augmentation initiatives has extended its scope of activities with the handholding of the Department of SSEPD, Government of Odisha. The thrust areas are early identification of neuro-developmental disabilities leading to early intervention, capacity building through technical expertise, enhancing the accessibility

of common public services including infrastructure, social inclusion and inclusive education. The figure below captures the activities of the UNICEF-SSEPD partnership.

To scale up the handholding initiatives, efficacious and meaningful services; the SSEPD Department has also widened its wave length of impactful services for the differently able children as well as individuals through the joint initiatives of SSEPD-UNICEF and NIMHANS (National Institute of Mental Health and Neurosciences, Bangalore). Capacity building programs in the context of psychosocial rehabilitation, recuperation and service delivery mechanisms have been conducted in the State and at NIMHANS, Bangalore. The outcomes of such programs have been observed through improved quality of service delivery, experience and expertise of the professionals and functionaries.

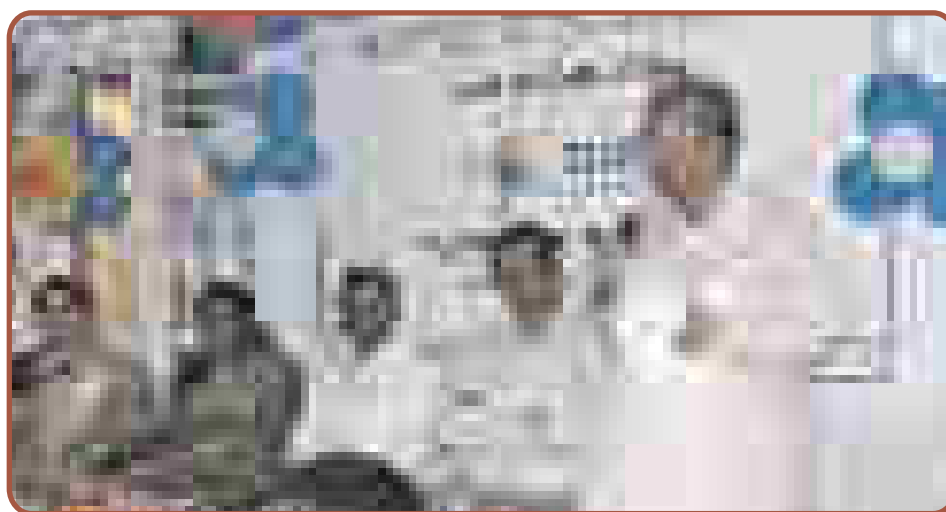

ANAND PROGRAMME IN COLLABORATION WITH TATA TRUSTS

ANAND Programme is a unique initiative of the SSEPD Department and the TATA Trust to provide a platform to senior citizens to be aware of their rights and entitlements. It believes that the right to a dignified life can be achieved only within a vibrant community.

ANAND Programme adopts a Spokes model for greater outreach in neighbourhood

communities. The Spokes centre provides facilities for targeted communities according to their felt needs. The primary purpose of these spokes is to foster a sense of belongingness and create support systems at the community level. As a pilot, a Spoke centre dedicated to senior citizens was launched on the 1st of September, 2018 at N1 A/2, IRC Village, Nayapalli.

First rehab centre for People with Disabilities to come up in Odisha

Odisha will soon have an Advanced Rehabilitation Centre (ARC) for People with Disabilities (PwDs). The centre aims at providing best services to the differently abled.

By Express News Service

BHUBANESWAR:Odisha will soon have an Advanced Rehabilitation Centre (ARC) for People with Disabilities (PwDs). The centre aims at providing best services to the differently abled. The Standing Finance Committee chaired by Principal Secretary of Social Security and Empowerment of Persons with Disabilities (SSEPD) Department Niten Chandra has approved the establishment of the centre at a cost of Rs 19.40 crore.

“The state-of-the-art centre having two components - Advance robotic rehabilitation system and Computer-Aided Design (CAD) and Computer-Aided Manufacturing (CAM) system, is first of its kind in the country,” the Secretary said. The robotic rehabilitation system comprising of robotic gait trainer for locomotion therapy on treadmill, robotic orthosis for paediatric patients and self driven upper extremity functional therapy system will be used for rehabilitation of persons with neurological disorders.

It can also be beneficial for trauma conditions like stroke, cerebral palsy, multiple sclerosis, lower limb amputations, spinal cord injury, traumatic brain injury, broken legs or pelvis, joint injuries or replacements, muscular dystrophy or other musculoskeletal disorders.

The system can capture, design, modify and manufacture any 3D anatomical shape and/or product designed to fit that shape by replacing conventional moulds with manual art and skill. “The details of technology, its functioning and cost of equipment have been finalised in consultation with a technical committee consisting of experts from AIIMS-Bhubaneswar and Safdarjung Hospital, New Delhi,” Chandra said.

Meanwhile, the State Government has made a budgetary allocation of Rs 11 crore for establishment of the ARC as a state level unit. With a capital expenditure of Rs 9.5 crore, an estimated Rs 19.4 crore will be spent for centre in the next five years starting from this fiscal. The centre will be manned by 14 persons, including 12 professionals and two patient assistants.

Celebration of strength in hands holding white canes

BHUBANESWAR: A state level celebration of White Cane Safety Day was observed under the aegis of State Institute of Special Education and Research (SISER) at its campus at Delta Square here Monday.

The White Cane Safety Day is celebrated October 15 every year. The purpose is to educate the world on how the blind and visually impaired can live and work independently. It is also to celebrate the success achieved by blind people.

State Commissioner for Persons with Disabilities Minati Behera, Under Secretary of SSEPD Dept. Ambika Prasad Pattanaik, Sannyashai Behera, OAS, DSSO, Headquarters and social activist Prafulla Kumar Panda jointly flagged off the rally.

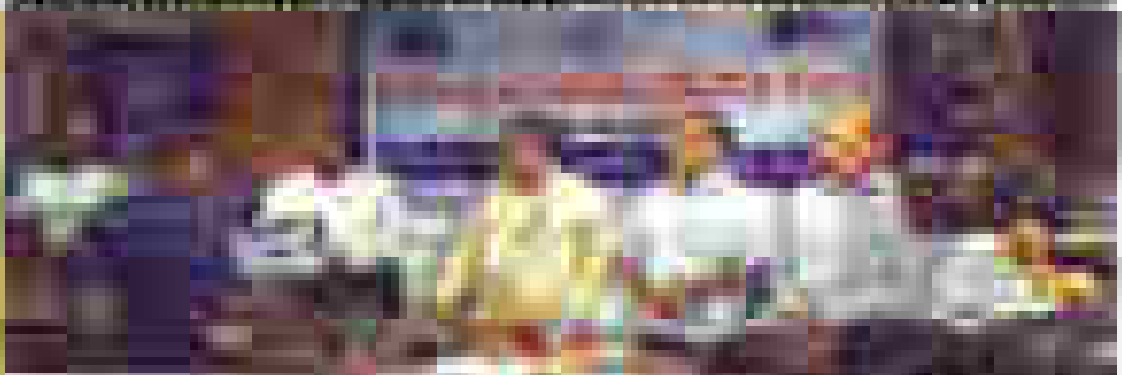

Asst Prof, SISER Premananda Mishra welcomed the guests and delivered concept note of the day, which is being observed since 1964. 450 white canes were distributed among the visually impaired by SISER on the occasion.

Two street plays From darkness to light and We are all able were staged on the occasions. Other cultural programmes also marked the celebration. More than 600 individuals participated in the rally. Students from various universities, colleges and schools across the state participated in the celebration.

150 blind students provided free laptops

MINISTERS OF EDUCATION AND HUMAN RESOURCES DEVELOPMENT

OTTAWA — The federal government has announced that it will provide 150 free laptops to blind students across the country. The program is part of a larger initiative to support students with disabilities in their education. The laptops will be distributed to students in both primary and secondary schools. The program is being funded by the federal government and the provinces. The laptops will be provided to students who are blind or have a visual impairment. The program is being implemented in partnership with the provinces and territories. The laptops will be provided to students who are in the final year of their primary or secondary education.
