INTRODUCTION

The Department aim to improve accessibility and equality of opportunity, promote participation and inclusion and increase respect for the independence and dignity of the persons with disabilities, the elderly, the transgender and those with addictions.

The Department's mission is to develop and apply financial, physical, intellectual and social capital for the welfare of pensioners, Persons with Disabilities, Transgender persons, Victims of Substance Abuse and Senior Citizens by networking and converging with Community Based Organizations, NGOs, Banks, Universities, Corporates, Government Organizations and other stakeholders.

RESPONSIBILITIES

- Understanding and dealing with the causes of poverty rather than its symptoms.
- Providing income support to elderly, widows, persons with disabilities and transgender persons.
- Improving equality and reducing discrimination and disadvantage for the senior citizens, persons with disabilities, persons who abuse substances and transgender persons.
- Encouraging the use of the social model of disability management which is based on the premise that disability is created by barriers in society.
- Encouraging persons with disabilities to work independently.
- Strengthening organizations that are led by persons with disabilities, senior citizens and transgender persons.
- Coordinating across government departments for implementing the strategy outlined in the Rights of PwD Act, 2016.
- Controlling substances which are being misused and are capable of having harmful effects on individual and society. Providing treatment and nurturing social support for persons with substance addictions.
- Removing barriers to equality and helping to build a just society on issues relating to sexual orientation and transgender equality.
- Supporting transgender persons

PRIORITIES:

- Run an effective welfare system based on pensions to the elderly, widows, persons with disability, beggars and transgender persons.
- Enable people to achieve financial independence by providing skill development and guidance into employment.
- Work with other government departments to remove barriers so that elderly, widows, persons with disability, beggars and transgender people are able to fulfil their potential and participate fully in society.
- Develop working partnerships with disabled people and their organizations.
- Prevent drug and alcohol abuse and the harms it causes. Support persons to recover from dependence on drugs and alcohol.
- Address the discrimination and inequalities that transgender people face. Eliminate transphobic bullying in schools, educational institutions and work places.
- Deliver outstanding services to our citizens and claimants.
- Help local organizations to build inclusive and accessible communities.

STRUCTURE & FUNCTIONS OF

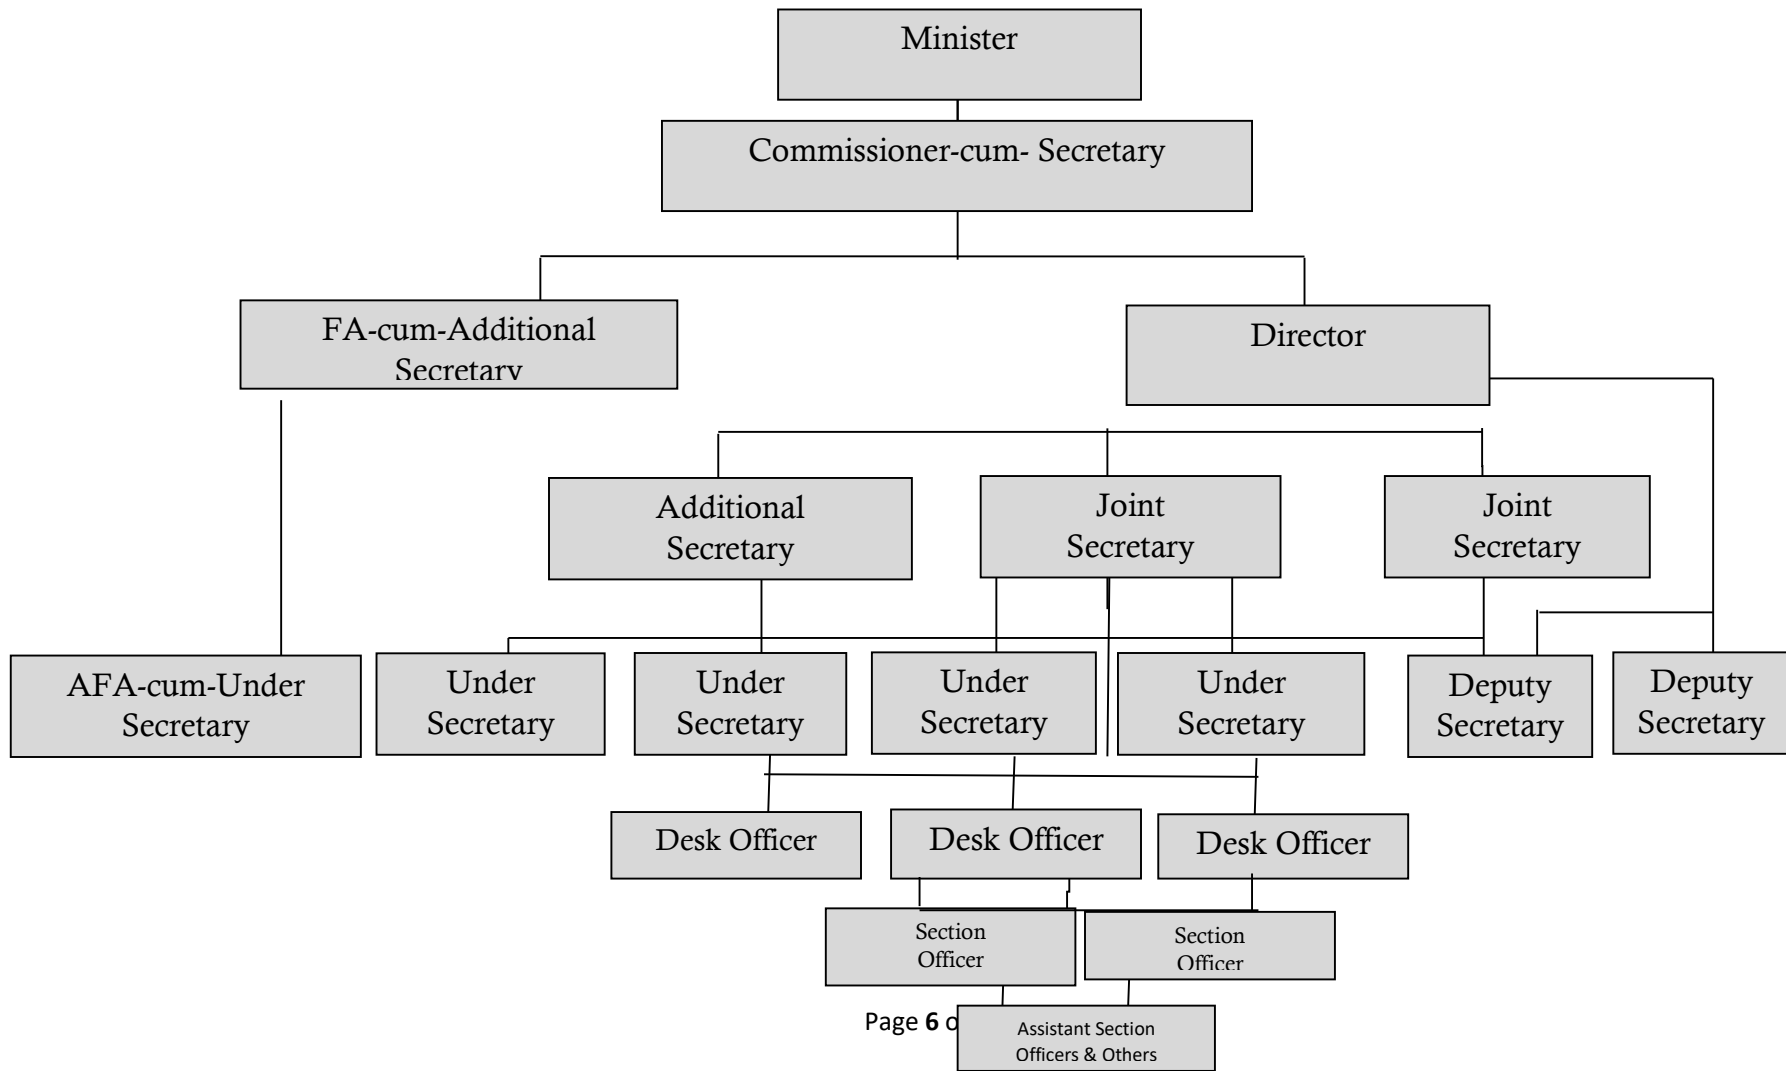

SOCIAL SECURITY & EMPOWERMENT OF PERSONS WITH DISABILITIES DEPARTMENT

Department of Social Security and Empowerment of Persons with Disabilities was created as a separate Department on 01.07.2015. It has been working for overall development of persons with disabilities, providing social security and pension to beggars & destitute, widows, senior citizens, persons with disabilities and taking steps for mainstreaming PwDs, drug addicts and transgender persons through a host of specially designed schemes and programmes.

ORGANISATION:

Department of Social Security and Empowerment of Persons with Disabilities has an elaborate field formation with the District Social Security Officer (DSSO) to assist the Collector in each District and a Sub-Divisional Social Security Officer (SSSO) in every Sub-Division. Besides this, there are Block Social Security Officers (BSSOs) at the Block level who assist the Block Administration in implementing the social security programmes. The Department has a statutory body known as State Commissioner for Persons with Disabilities (SCPD). State institute for Disability Rehabilitation (SIDR), a state level nodal agency is currently functioning in Bhubaneswar. Eight District Disability Rehabilitation Centres (DDRC) are functioning in 8 District headquarters to undertake rehabilitation services and activities. Old age homes are running to facilitate the elderly.

ORGANOGRAM CHART

Achievement of SSEPD Dept. DURING FY 2020-21

- ❖ Government has sanctioned 8 months pension in advance during the FY 2020-21 in two phases i.e April to July, 2020 and from September to December 2020 to 48, 56,650 pensioners with ex-gratia of Rs. 1000/- to each pension beneficiaries considering the difficulties faced by the pensioners during the lockdown due to the outbreak of Covid-19.
- ❖ During the FY 2020-21 about 10,384 divorcee/destitute women were sanctioned pensions.
- ❖ There has been significant progress in Aadhaar linkage of social security pension beneficiaries. Whereas digitization is 100% under both the pension schemes, Aadhaar seeding is 80% and verification is 78% under Madhu Babu Pension Yojana (MBPY) and 90% and 85% under National Social Assistance Programme (NSAP) respectively during 2020-21.
- ❖ About 4.28 lakh new beneficiaries were provided pension under MBPY and 1.29 lakh new beneficiaries under NSAP during 2020-21.
- ❖ 369 transgender persons were sanctioned pension under MBPY during 2020-21.
- ❖ Advanced Rehabilitation Centre (ARC) was set up during the financial year 2020-21 for providing High Quality artificial limbs and assistive devices to PwDs. ARC has a CAD/CAM unit for computerized fabrication of artificial limbs and Robotic Therapy Unit to deal with critical neurological condition cases including Paraplegia etc. and it is functioning in the campus of Capital Hospital, Bhubaneswar and in Sundargarh district.
- ❖ To encourage students with visual Impairment Department has introduced a free Laptop Scheme. Under this Scheme students pursuing Higher Education are provided laptops with specially designed JAWS software. The Budget provision during the year 2020-21 was Rs. 2.00 Crore. In the year 2020-21, distribution of laptops was paused as camps could not be held due to pandemic situation of COVID-19. However, online portal has been developed for making the service online.
- ❖ The Rehabilitation Centre for beggars was established at Puri with total capacity of 500 and with 150 capacities in Khordha. There is provision for accommodation of elderly persons, PwDs, Leprosy affected beggars.
- ❖ Also, one Outreach and Mobilization Unit at Puri was established in Puri district and funds of Rs. 15,15,800/- is released for the same.
- ❖ Other than Khordha & Puri District, 7 new rehabilitation centres were approved with intake capacity of 575 in Ganjam, Dhenkanal, Sambalpur & BMC. Phase wise steps are taken in

order to make the state bagger free. The main aim of the Rehabilitation Centres are to provide quality living for the beggars including recreational activities and family re-integration.

- ❖ Decision has been taken to set up Integrated Infrastructure Complex (IICs) in 30 districts in two phases. In the first phase of construction 10 IICs were taken up in Puri, Ganjam, Sambalpur, Khurda, Kandhamal, Bhadrak, Malkangiri, Cuttack, Nabarangpur and Sundargarh during 2020-2021. There is provision for accommodation of Senior Citizens & destitute. Special schools will also function for the visually impaired, hearing impaired and ID children's including hostel facilities for both boys and girls. These IICs will be developed as Centre of Excellence under 5T initiatives. Now IIC, Kandhamal, Khurdha, Sambalpur, Ganjam and Puri are in completion stage. Khurdha and Kandghamal IICs in the process of operational.
- ❖ 11 NGOs/Agencies have been working in the State for the Welfare of Transgender Person like, formation of SHGs, conducting awareness camps, provide services for identification of TGs, Skill development training and other activities under 'SWEEKRUTI' scheme.
- ❖ Tie ups were made with commercial banks for delivery of cash for pension disbursement at the doorstep of the PwDs and at all Gram Panchayat/ Urban Local Body headquarters for others.
- ❖ 93 BBSA camps were held for door step delivery of assistance such as aids and appliances, scholarships, bus fare concessions, and disability certificates to the PwDs. 10,694 PwDs were assisted.
- ❖ DDRC is functioning in 10 Districts i.e. Khordha, Sambalpur, Mayurbhanj, Nabarangpur, Koraput, Kandhmal, Kalahandi, Ganjam, Bhadrak & Dhenkanal under the supervision of SIDR at State Capital.
- ❖ During the year 2020-21 178 artificial limbs were provided to PwDs. Similarly, 79 PwDs were provided 760 sessions of robotic therapy.
- ❖ The capacity of the mentally ill homes was enhanced to 734 to meet the growing demand for rehabilitation of the mentally ill persons.
- ❖ A network of 63 PIAs has been formed to provide therapeutic and rehabilitation services to 3580 persons with intellectual disabilities.
- ❖ Retrofitting work at 122 government buildings have been completed and made fully accessible for free movement of person with disabilities.

- ❖ During the year 2020-21 due to Covid-19 pandemic outbreak physical skill development training has not been conducted. However, Steps has been taken for imparting short term Skill Development Training in different it is, Skill Development Training on Art & Craft by SIDAC, BBSR, Training related to Agriculture & Horticulture by IMAGE, BBSR & OUAT, BBSR and Art, Dance & Music by Nrutya Upasana Pitha, BBSR.
- ❖ In a bid to promote social harmony, Government has decided to give cash award of Rs 2.5 lakh to a normal person for marrying a bench mark Person with Disability (PwD). 222 nos. of couples were provided incentive at the enhanced rate
- ❖ 103 new Special Schools and one College are running in the State for students with disabilities under GIA of SSEPD Department with strength of 6815 students with disabilities.
- ❖ In accordance to Government guidelines all the Government websites are to be made accessible. Till 2020-21, 118 websites of different Government Departments of Odisha and agencies have been made accessible.
- ❖ Office of CDMOs have been IT enabled with professional staff and equipment's as a result of which 3,82,036 disability certificates have been issued.
- ❖ Activities of the Department of SSEPD which are of public importance were advertised through social media. 388 public grievances were received and resolved through social media.

COVID Management and Introduction of E-initiatives during Covid-19

Recently, the whole world has faced the deadliest and dangerous consequences due to the transmission of infectious novel coronavirus. In these circumstances, digital initiatives such as online learning, online application and the use of Information and Communications Technology (ICT) tools came in handy.

SSEPD Department has made all its Schemes available online at the onset of COVID-19 when a Nationwide lock down was announced. The online services are responsive and compatible with the smart phones.

The following e-initiatives have been introduced and implemented: -

Online Admission for Student with Disabilities:

A portal has been developed for admission into the Special Schools. Now Students with Disabilities can apply for admission into the Special Schools through online without visiting the School physically.

✓ **Online classes for students with disabilities**

Online classes & exams were conducted in Special schools for Students with Disabilities as a covid-19 precautions.

✓ **Online Services for Marriage Incentive & Laptops for PwDs:**

Now our stakeholders may apply for marriage incentives by their mobile phones and can avail the services. In the same way Students with Disabilities may apply for Laptops through the SSEPD App.

✓ **Online pre-recruitment coaching of PwDs**

A pre-recruitment coaching Centre has been established at NCSCDA, Pokhariput, Bhubaneswar for preparing PwD students for different competitive exams. The coaching has been conducted online and a total of 45 students have been imparted online coaching.

✓ **Disbursement of Banishree Scholarship in DBT Mode**

In the FY 2020-21 steps were taken for disbursement of Banishree Scholarship to students with disabilities (SwDs) in DBT mode through IFMS Portal.

✓ **Grant-in-Aid to empanelled PIAs through PFMS**

Steps were taken to provide Grant-in-Aid to empanelled PIAs under the scheme rehabilitation of physically & mentally challenged, socially disadvantage person through PFMS.

✓ **E- Library**

E-library facility is available in the SSEPD portal i.e ssepd.gov.in as well as in the mobile app. There are 3 categories in the E-library, Audio Library, Video Library and E-Book Library. These libraries have audio classes from class V to X. Video library is categorised in 4 category i.e. Hearing Impaired, Autism, Intellectual Disability and Cerebral Palsy.

Other Initiatives

- ✓ All the Citizen Centric Services are made online.
- ✓ Stakeholders can apply for I D Cards, Pensions etc through online.
- ✓ Beneficiaries can also track their application statu through online.
- ✓ Sharing of data, reports are made online with District office and State.
- ✓ Online sanction order generation by designated officer of the Department.

Digital Literacy for Senior Citizens

Odisha has about 0.4 Crore elderly population, (As per the 2017-18 - NSSO Health consumption survey). Elderly population has increased from 22.81 lakhs in 1991 to 30.39 lakhs in 2001 and 39.8 lakhs in 2011. The present proportion of 9.5 per cent of the elderly is estimated to reach 13.8 per cent, numbering 62.69 lakhs by 2026.

Despite years of investments, illiteracy continues as a core impediment in communities participating in and contributing to the national economy. Educating adults remains a challenge despite India's rising literacy rate.

Since independence, the history of adult education and the concept of adult education has constantly changed, starting from 'Basic education' to 'civic literacy' to 'functional to total Literacy. Thus, apart from foundational Literacy i.e. Reading, Writing, and Numeracy skills, in the new National Education Policy, emphasis has been given on Digital Literacy, Financial, Legal, and Electoral Literacy, Disaster Management and Environmental Literacy have been deemed to be essential skills to empower citizens.

71-year-old BASANTI SETHY puts her newfound digital skills to to pay bills online- photo credit-UNDP India

COVID 19's dreadful impact was not only felt on the health and lives of individuals and families suffering from the viral infection, but the associated lockdown measures also impacted millions of people, mainly the elderly, due to disruption in medicine supply, the mental impact of social isolation along with other issues such as anxiety, stress, fear of disease and a higher rate of mortality among the elderly. Coupled with the handicap of low literacy level and weak physical condition, they had to depend on outsiders in the absence of their near and dear ones.

Department of Social Security & Empowerment of Persons with Disabilities Department (SSEPD), Government of Odisha, in partnership with UNDP, launched a six-month Digital Literacy project for the elderly during the COVID 19 pandemic in three cities, viz., Bhubaneswar, Cuttack and Puri. The intervention focussed on imparting digital training to the elderly with the additional objective of bringing about financial literacy as well.

Digital illiteracy or the lack of ability to access the Digital world has long kept large sections of the elderly away from the great equalizer – technology. For the elderly availing essential services like booking a cab, transferring money or applying for a government scheme still means depending on a relative/neighbour, trudging up to a bank or Government office and waiting in queues.

69-year-old housewife Renuka Das now orders food, watches favorite SOAPs - photo credit-UNDP India

Covid-19 pandemic has compounded the problem even more. As Older adults are at a greater risk of hospitalization or worse, the issue of social isolation is further amplified in these times. Adding to the problem is accessing basic

needs such as medicines, healthcare or even banking during a period when mobility is restricted. That puts an additional strain on their mental health. With close to 10 percent of its population in the 60+ age category, Digital Literacy becomes a key tool in securing the lives and minds of India's elderly.

As it was a new subject, orientations were conducted before commencement of training on digital platforms. The training and capacity building exercise adopted a participatory approach including group discussions and brainstorming. Other aids such as group activities, informal discussions with volunteers, folk tales played a key role in the education program.

The participants in the intervention were helped to navigate through a smart phone, and search for information, apply for government

Achievement

About 20,273 elderlies trained on digital literacy and financial literacy especially online money transfer, recharge, booking taxi, utility bill payment, ordering food in the 3 project cities.

- Out of 20,273 elderlies, only 2,253 elderly persons had SMART phones and were linked to various phone applications like Phone Pe, Gpay, Paytm, YONO SBI.
- 18,273 elderlies not having either Normal Phone or No Phone were linked to 'Jana Seva Kendra' and nearby 'Cyber Café'.

Besides training on digital platforms and websites, 20,273 elderlies were sensitized about

- Basic Do's and Don'ts of COVID-19
- The existing helpline platforms including COVID 19 helpdesk, police station and SSEPD department for various kind of assistance
- 150 elderlies applied for different schemes under SSEPD Department Odisha through online assistance platform (www.ssepd.gov.in)
- 238 Persons with Disabilities were trained on 'online application process for disability aids and application tracking'.
- Cadre of 106 volunteers were trained to support during the project period and linked to local SSEPD officials.

services like a disability kit, apply for changes in their Aadhaar card, pay utility bills online, book a cab, connect to loved ones through Facebook, make video calls through WhatsApp and access entertainment channels. The sessions were kept short and were conducted multiple times so that participants could grasp the concepts. The training subject was gamified for quick learning of financial concepts including online banking, fund transfers, payments etc.

To train the elderly who did not own a smart phone, flash cards were designed. Flash cards helped in making the training participatory.

Volunteers also used their own phone as well to demonstrate how to access internet and social media. The focus was also on linking them with platforms where they can avail various social protection schemes such as the SSEPD website, to register / apply for

grievance, disability aids and old age pension by using their smart phones or by going to Jana Seva Kendra to avail a host of other Government services.

B Narsingh uses newly learned digital skills to apply for social security schemes - photo credit-UNDP India

The advantages of going digital was never clearer than in the middle of the pandemic for B Narasingh, a 57-year-old Cuttack resident who had a debilitating accident a few years back. Narsingh who now walks with a crutch had been trying to get pension under the SSEPD scheme. The pandemic further complicated things.

“It took a lot of effort just to apply for the pension under SSEPD scheme. I gave up as I could not put so much effort. But then the volunteer helped in applying for the pension online. It saved my money and time both. Now I know some basic things and I will also help other elderly like me to avail benefit under SSEPD scheme,” says Narasingh.

The program not only made the elderly literate, but it also made the social isolation that has been forced upon them by the pandemic a little easier to bear.

Renuka Das, a 69-69 -year-old Widow woman having learned her way around apps and surfing the net, she cannot wait to share her newfound super skills with those around-“I can now surprise my daughter-in law on days she gets tired by ordering food”. A youthful spark is back in her eyes.

There is a smile on more than 20,000 faces these days.

Thus, the response was encouraging and a great learning experience which highlighted that with small effort a difference can be made in the life of people who are discriminated due to socio-economic conditions, apathy of existing systems and are more vulnerable in a crisis. The Department aims to expand the scope of this endeavor to reach every vulnerable elderly living in the state of Odisha by 2024 with the support of agencies like UNDP.

Disbursement of Pension at door steps of the beneficiaries as a precaution for COVID-19:

As a precaution for COVID-19 a Nation wide Lock down announced during the year 2020-21. As all the beneficiaries of SSEPD Department especially beneficiaries availing Social Security Pensions belong to vulnerable groups State Government realizing the financial difficulties of these vulnerable groups i.e, Senior Citizens, Persons with Disabilities sanctioned 8 months pension in advance in two phases I.e, from April to July, 2020 and from September to December,2020. During the Lock down all the Field Officers of Department i.e, 30 DSSOs, 43 SSSOs and 120 BSSOs were alert and assigned to disburse the pensions at the dor step of the beneficiaries by maintaining COVID protocol i.e, social distancing, wearing of mask etc.

Safety measures taken in Old Age Homes/ Therapeutic Centres/ Special School Hostels and Beggar Homes :

- Inmates/Students of different Therapy Centres/ Special School Hostels are dropped to their homes and expenses of travel/transportation provided for this purpose. An amount of Rs.32.35 lakhs released for transportation of 7,862 Children with Disabilities.
- Grant-in-Aid in advance amounting to Rs.1,66,92,000/- for three months (April to June-2020) released to the NGOs for providing Therapeutic and Rehabilitation services to children/persons with intellectual disabilities.
- Grant-in-Aid in advance amounting to Rs.3,41,66,880/- for three months (April to June-2020) released to the NGOs for maintenance of residential students of Special Schools and Colleges.
- Separate homes for Beggars, Destitute, Persons with Intellectual Disabilities with capacity of 500 operationalized and about 250 persons accommodated. In addition, homes for the destitute with capacity of 500 operationalized in Khurda to accommodate Destitute Persons according to demand. The Department proactively monitored the situation to take care of the destitute, disabled and the aged persons. An amount of Rs. 2.00 Crores released for 1000 beneficiaries.
- Rs.150/- per student/ inmate has been released to the management of all the hostels/homes for procurement and implementation of additional sanitary measures.
- Each student of the special schools paid Rs.3735/- at the time of discharge and each inmate of the centres providing Therapeutic and Rehabilitation services paid Rs.3600/- at the time of discharge. The amount will be handed over to the parents/ legal guardians of the children. Details are at Notification No. 3456 dated 20.03.2020.
- Mobile applications were designed to enable persons with disabilities to apply for different services including Identity Cards, Scholarship etc. Helpline numbers and

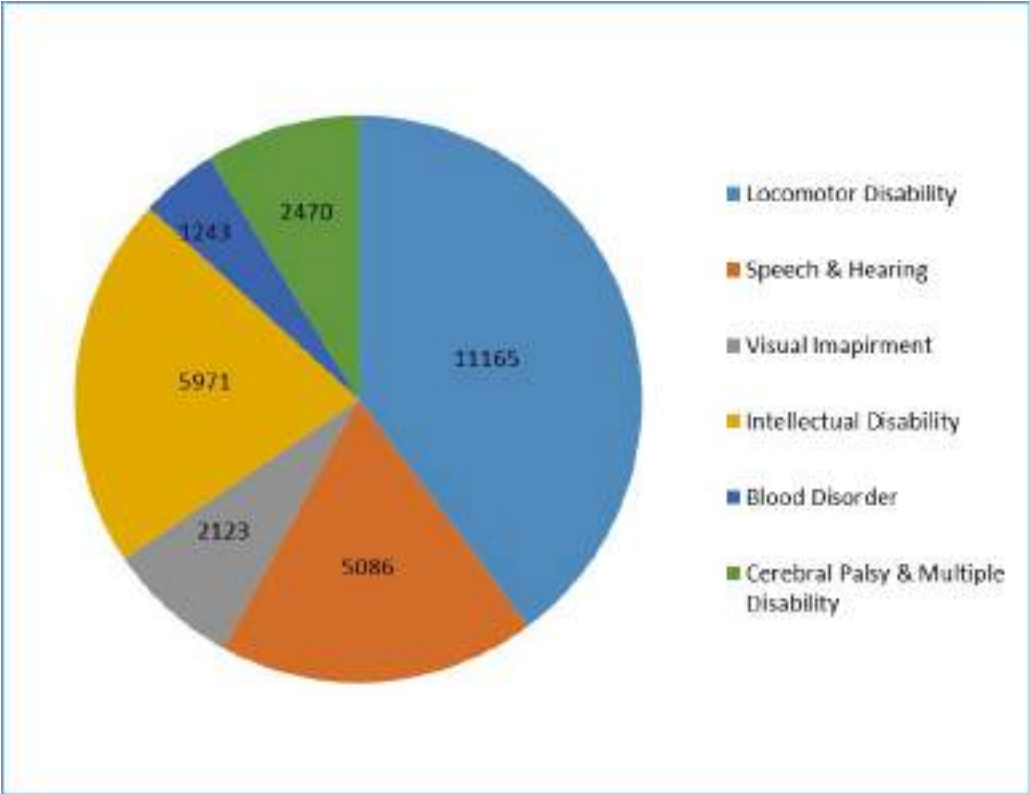

assistance team designated to support applicants and address problems encountered for using Mobile App.

- For assisting the citizens, the Block Social Security Officers were designated to be available on call to guide the citizens over phone for submission of on line application. Vide Department Notification No. 3528 dated 21.03.2020.
- All District Social Security Officers (DSSOs)/ NGOs were sensitized to create awareness among the principals, teachers, students of the special schools, inmates in therapy centre and old age homes on preventive measures such as frequent hand wash, respiratory etiquettes by using handkerchief/MASK over the mouth while coughing/sneezing, use of issue paper or using the sleeve of shirt covering upper arm, to remain absent from school/ institution when sick, avoiding public gathering.
- 17 Inmates of hostels/old age homes/ home for beggars/ destitute homes/ homes for Leprosy Cured patients etc. were continued to stay in these homes. The management of these hostels/ homes adopted adequate safety measures.
- Essential pass for emergency workers/ homes are issued where inmates were staying by exempting them from restrictions during lockdown for ensuring supply and service chains. Efforts were taken to provide all information about COVID 19, services offered and precautions in simple and local language in accessible formats; i.e. in Braille and audible tapes for persons with visual impairment, video-graphic material and sign language interpretation for persons with hearing impairment.
- All district and block level officers tried to resolve the issues of beneficiaries within the resources available and in necessity they sought the help of local institutions for awareness, counselling, and other emergency services.
- Guidelines issued by Govt. of India, State Health & family Welfare Department and SRC on COVID- 19 circulated to all concerned for strict observance of the same. Similarly, Guidelines of State Health & family Welfare Department on quarantine also widely circulated to all quarters under the Department.

- Advisory for protection of senior citizens aged above 60 years issued by MoSJE, Govt of India also communicated to all districts vide letter no. 139 dtd.23.04.2020 of SSEPD Department with instruction to publicise the same throughout the district.

Survey of Children with Disabilities – Early Intervention initiatives :

- Rights of Persons with Disabilities Act, 2016 envisages massive efforts essential to ensure early identification and intervention measures to ensure delivery of age specific rehabilitation intervention. Early Intervention helps in ensuring support to Children with Disabilities for a) Cognitive Development, b) Physical Development, c) Communication Development, d) Social and emotional Development, and e) Adaptive Development.
- Section 17(a) of RPwD Act, 2016 provides, “to conduct survey of school going children in every five years for identifying children with disabilities, ascertaining their special needs and the extent to which these are being met.”
- Department has taken initiative to conduct a state wide survey of CwDs during the COVID-19 throughout the state by using the large network of Anganwadi Workers. For this purpose funds are being allocated from State Fund for PwDs.
- A team constituted of Officers & professional staff to devise resource materials such as Survey Format, Survey Manual, Videography, and Power point Presentations in Odia and English Languages. Software was also designed to capture survey data.
- A team of 30 Master Trainers pulled out from different parts of the state from among Rehabilitation Professionals of DDRCs and were trained by experts to move to districts for training of district level trainers. Master Trainers moved to each district and trained 150 District level Trainers.
- All AWWs were given training on conducting survey of CwDs and are provided with Odia guidelines containing disability wise information for conducting survey and survey formats. During 1st round survey 28,058 CwDs are surveyed.

Launching of Online Services in SSEPD Department

In view of proper implementation of 5Ts and to enable the common Citizens to avail the services/benefits of SSEPD Department within a specified time without visiting Gram Panchayats, Blocks, ULBs and District the Department launched 11 online services w.e.f 01.04.2020. Citizens can avail above services through the single window portal i.e. www.ssepd.gov.in except for those cases that involve physical check up/ measurement. The list of online services includes the following:

1.1. Online Application for MBPY Pension Scheme:

- Now a beneficiary can apply for the pension online at any place even through his own smart phone and even track the progress of his/her application on real time basis.
- As per orders of HCM, pension money is e-transferred directly to the Aadhaar linked bank account of the newly sanctioned beneficiaries under MBPY

1.2. Online Application for NSAP Pension Schemes:

- Now a beneficiary can apply for the pension online at any place even through his own smart phone and even track the progress of his/her application on real time basis.
- Financial assistance under NFBS is being provided to the beneficiaries through DBT

1.3. Online Application for Free Laptop to VI Students:

- Eligible students are applying in the prescribed application format along with required documents through the web portal and simultaneously an acknowledgement message is being sent. The application is being submitted to DSSO and DSSO after verification at their end forwards to the Head office for approval of Director through web portal.

1.4. Online Application and sanction of Marriage Incentives:

- Eligible couples are applying in the prescribed format along with all required documents through the web portal and simultaneously an acknowledgement message is being sent. The application through the portal immediately submitted to BSSO and thereafter it is forwarded to the Tahalsildar, the verifying officer.

1.5. Admission of Disabled students in Special School:

- Students are applying and submit their documents through online portal.

1.6. Online Registration for BBSA Camp:

- Through the BBSA Application, PwDs now can register themselves before hand in the Government Portal through online for one or more services and can get served in a single visit to the Camp and need not to visit any Govt. Office physically.

1.7. Online Application and issuance of PwD ID Cards:

- The applicant applies through online even through their smart phones from his home and the application is assigned to the nearest available professional. This reduces travel requirements and expenditure of travelling through long distance.

1.8. Online Registration of NGOs:

- The institutions coming under the purview of SSEPD Department are now required to register themselves to apply projects under different schemes of SSEPD Department.

1.9. Online Grievance lodge system:

- The services are being delivered in online mode wherein the petitioner in real time can locate and know about the status of their grievances.

1.10 Educational Kits to Students with disabilities:

- The special schools make requisition of educational kits of their students. In the process, the schools are provided educational kits at their destination.

1.11. Online Application for Scholarships.

- The SwDs desiring to avail Banishree Scholarship can apply online through the web portal www.ssepd.gov.in with the convenience of their own home. After filling up the online application form and submission, the student has to download the system generated form, take a print out and get it verified from the head of the educational institution. Report from the concerned Revenue Inspector on family income of the student has to be obtained. Then the student shall upload the scanned copy of the application form along with copies of supportive documents, if any, required for final submission. The applications finally submitted by the student shall be available with the user id of concerned BDOs/ Sub-Collectors online for sanction. The applications sanctioned by the concerned BDOs/ Sub-Collectors are visible at the level of SSEPD Department and at all user level. Then Scholarship amount is disbursed to the students in their bank account through NEFT.

5T & Mo Sarkar Initiatives by the Department

ADVOCACY DOCUMENTATION ON 5T INITIATIVES IN ODISHA

The 5T model of good governance being conceptualized in the State will hugely complement in achieving the goals set by the Department in the coming future. 5T as a tool can be used to keep track of the work in real-time minimizing the human errors in reporting as well as the time delay. Day to day routine work can also be automated which usually requires multiple interventions at different levels. A centralized monitoring system can drastically reduce the management cost, effort, time, and human errors. The data collected at regular intervals can also be analyzed and used to improve the productivity and efficient delivery of services without any significant financial overhead. Real-time data on delivery of services can also be used with this application of 5T to achieve the target in an effective and efficient manner. 5T will thus be able to make Governments from the State to the panchayat level to be more responsible, efficient, and accountable to the people.

Due to the COVID-19 pandemic, our current situation demands efficient resource allocation, process automation, effective resource management while keeping in mind the most important factor in cost optimization. The Department is committed to ensuring all these in order to maintain a healthy balance between limited resources and unending responsibilities towards its beneficiaries.

IMPLEMENTATION BY DEPARTMENTS

The Department has taken several steps under 5T to make the delivery of services hassle-free and accessible for its beneficiaries and these are,

1. Decentralized certificates for State schemes:

Earlier PwDs even with a perceptible disability to the naked eye were excluded from receiving the basic services for want of a disability certificate from an authorized medical officer. The national average ratio of doctor-to-population in 2017 was estimated at around 1:1,597; and the ratio in Odisha stood at 1: 2,749. This posed a huge challenge in essential services delivery to the needy PwDs as the identification process is slow.

To overcome this challenge, the Department with the help of the Health and Family Welfare Department issued disability certificates in cases of disability that is perceptible to the naked eye (locomotor, blindness, leprosy-affected, dwarfism, acid attack victims, muscular dystrophy, cerebral palsy, mental retardation, autism, mental illness, etc.) and known cases of haemophilia, thalassemia, sickle cell disease, Parkinson disease by any authorized officer by the SSEPD Department where the percentage of disability will be fixed tentatively and certificate will be valid for pensions, aids and appliances, marriage incentives, state scholarships, and other government support, except reservation in employment and admissions in educational institutions.

In all other cases involving the use of medical equipment for the detection of disability and requiring experts for diagnostics, certificates will be issued by officers authorized by Health & Family Welfare Department. Notification in this regard has already been issued by SSEPD Department.

This significantly improved the pace of the issue of certificates which helped in wider coverage of PwD beneficiaries in the shortest possible time.

2. Universal scheme with exclusion criteria:

Madhu Babu Pension Yojana (MBPY), the largest social security scheme running in the State earlier had a minimum set of eligibility criteria for inclusion of a potential beneficiary under it. It was observed that most of the beneficiaries excluded from the scheme are otherwise eligible but they were excluded from cover of the scheme due to wanting of one or another document.

The Department to overcome this bottleneck had made necessary amendment to the MBPY Rules, 2008 and made MBPY a universal scheme with exclusion criteria. This eliminated the need of the beneficiary to submit the documents and instead made self-certification by the beneficiary sufficient to be included in the scheme.

3. Self-certification for widows, divorcees:

Death and divorce certificates for want of which pension was held against widows, divorcees and deserted, it was stipulated that widows, deserted and divorcees should be identified

through self-certification in lieu of death or divorce certificates. This will be verified by the Gram Panchayat/ local block / ULB level extension officers.

4. National Level Center of Excellence:

This Department is committed to set up one Integrated Social Security Complex in each district that includes amenities like Old Age Home, Home for Destitutes, School and Hostel for HI, VI and ID students. At the 1st phase constructions have been taken up in 10 districts. Integrated Infrastructure Complex (IIC) of Khordha district has been completed. One block in each of the three IICs, located at Sambalpur and Kandhamal is completed. Construction is ongoing in additional 7 districts i.e, Ganjam, Nawarangpur, Bhadrak, Malkangiri, Puri, Cuttack and Sundargarh. Budget provision is made for completion/ furnishing of these IICs and the above infrastructure will be made functional very soon. These complexes are envisioned to be built as National Centers of Excellence.

Challenges encountered in executing 5T:

1. Due to the onset of COVID-19 Pandemic, BBSA Camps are not being organized. Although, UDID Cards and Aids and appliances are being distributed by our field Officials.
2. The stakeholders of this Department viz. PwDs, Senior Citizens, Widows, Transgender Persons, Drug Addicts, and Beggars including Cured Leprosy patients and destitute are poor/villagers and don't have any access to technology. Although, our field level officers are putting much effort to resolve the issues. It will take some time to reach out to all beneficiaries.

Launching of MO SARKAR:

Mo Sarkar Programme was launched in SSEPD Department w.e.f. 2nd March 2020. The Department of SSEPD, the offices of DSSOs and BSSOs working under different blocks are coming within the purview of Mo Sarkar.

Every week, the Commissioner-cum-Secretary and Director, SSEPD are calling 60 beneficiaries who are receiving pension under Madhu Babu Pension Yojana (MBPY).

Quality of these calls are being reviewed regularly and compliance on feedback of citizens are being sought from districts.

INITIATIVES THAT HAS BENEFITED OUR STAKEHOLDERS THE MOST:

1. All the services of the SSEPD department have been made available to citizens online. Citizens can avail of these services through the single window portal i.e. www.ssepd.gov.in and have the option of not visiting any government office for availing benefits; except for those cases that involve physical check-up/ measurement.
2. SSEPD Department under its initiatives is providing advanced Robotic therapy at two rehabilitation centers in Bhubaneswar & Sundargarh to help people who have lost their limbs in mishaps or disease.
3. Implementation of Niladri Nilaya at Puri District and Bhubaneswar for making Puri & Bhubaneswar beggar free.
4. Medical kit distribution to the inhabitants of Old Age Home throughout the State. The medical kit has medical equipment like BP Machine, Pulse Oximeter, Glucometer, Hot water bag to help track health parameters.
5. Online classes are conducted by special school management for students. Moreover, considering the inadequacy of qualified Sign Language Interpreters (SLIs) and adequate teachers in the schools, online class modules are also being developed in Bhubaneswar and made available in the departmental web portal for benefit of the students and school management.

SCHEMES/ PROGRAMMES OF THE DEPARTMENT FOR THE YEAR 2021-22

The services provided by the Department focus on measures to improve accessibility on and equality of opportunity, promote participation and inclusion and increase respect for the independence and dignity of the persons with disabilities, the elderly, the transgender persons, the victims of Substance Abuse and Beggars. The Department visualizes creation of a social environment that facilitates wellbeing of the Pensioners, Persons with Disabilities, Transgender persons, Victims of Substance Abuse, Senior Citizens and Beggars etc.

A. SCHEMES FOR PENSIONERS

The State operates two schemes for indigent pensioners. Madhu Babu Pension Yojana (MBPY) is fully funded by the State Government. National Social Assistance Programme (NSAP) is funded by Govt. of India and supplemented by the State Government. NSAP aims to make provision for public assistance in cases of old age, widowhood, and disablement. NSAP at present comprises of Indira Gandhi National Old-age Pension Scheme (IGNOAPS), Indira Gandhi National Widow Pension Scheme (IGNWPS), Indira Gandhi National Disability Pension Scheme (IGNDPS), National Family Benefit Scheme (NFBS) and Annapurna Scheme. Similarly, MBPY covers 11 categories of pensioners such as old-age (MBPOAP), widow (MBPWP), disable (MBPDP), AIDS Patients (MBP-DPAIDS & MBP-WPAIDS), cured Leprosy patients (MBPCLP), unmarried women (MBPUNW), divorcee/destitute (MBPDIV), transgender persons (MBPTG), Orphaned children and widows of COVID-19 affected families namely, MBPOC (COVID) and MBPWP (COVID). NSAP covers the persons who are below the poverty line (BPL) category, whereas persons within the BPL category as well as persons with annual income limit of Rs. 60,000/- can apply for pension under MBPY. The details regarding the programmes are mentioned below.

1. MADHU BABU PENSION YOJANA (MBPY):

Madhu Babu Pension Yojana (MBPY) was introduced in the state of Odisha w.e.f 01.01.2008 by merging two pension schemes i.e. Old Age Pension and Odisha Disability Pension Scheme. All the beneficiaries being covered under the State Old Age Pension Scheme and the Odisha Disability Pension Scheme in the state are treated as beneficiaries under Madhu Babu Pension Yojana from the date in came in to force i.e. 01.01.2008. At present, 28,33,704 beneficiaries are covered under the scheme with a budget provision of

Rs. 1724.50 Crore for this 2021-22 FY. The rate of pension has been revised to Rs. 500/- per beneficiary up to the age of 79 years and Rs. 700/- for 80 years and above and Rs. 900/- for beneficiaries who are 80 years and above & having 60% and above disability. The MBPY Pension Rules, 2008 was amended and two new categories were added for the orphaned children and widows of COVID-19 affected families. During the FY 2021-22, about 110 orphan children and 1606 widows were covered under MBPY in the two new categories. The department has constantly been focusing upon Aadhaar authentication of pensioners. At the end of 2021-22 FY, the progress in Aadhaar seeding was 81.62% and verification is 79.07% and about 2.48 lakh new pensioners were added in MBPY during this Financial Year. The category-wise coverage of MBPY in this financial year is given below.

	Social Security Pension Category	Name of the Scheme	Total Target	Total Coverage
Govt. of Odisha Scheme	Madhu Babu Pension Yojana (MBPY)			
	Old-age Pension	MBPOAP	2833704	1680528
	Widow Pension	MBPWP		622752
	Disable Pension	MBPDP		379490
	Cured Leprosy Patient	MBPCLP		5046
	Widow Pension AIDS	MBP WP-AIDS		2500
	Disable Pension AIDS	MBP DP-AIDS		8975
	Unmarried women	MBPUNW		65348
	Divorcee/Deserted women	MBPDIV		13294
	Transgender Persons	MBPTG		514
	Orphan children due to COVID-19	MBPOC(COVID)		110
	Widow due to Covid-19	MBPWP(COVID)		1606
Total				2833704

2. INDIRA GANDHI NATIONAL OLD AGE PENSION SCHEME (IGNOAPS):

This is one of the components of the National Social Assistance Programme (NSAP) introduced by the Government of India, Ministry of Rural Development w.e.f 15.08.1995. Under the scheme, old-age pension is provided to aged, destitute persons (male/female) of 60 years. The rate of pension has been revised to Rs. 500/- per beneficiary per month for beneficiaries up to 79 years, out of which Rs. 200/- is from Govt. of India and Rs. 300 is supplemented by the State Government. Similarly for beneficiaries with 80 years of age and above, the rate of pension is Rs. 700/- per month. Here, Govt. of India provides Rs. 500/- per beneficiary and the remaining 200/- is borne by the State Government. Till the year 2001-02, this was a Central Plan scheme. But this scheme has been transferred to the State Plan from the year 2002-03. At present, 14,18,631 beneficiaries are covered under the scheme which is also the Govt. of India target for our State. Out of this, 12,62,922 is the target for beneficiaries between 60-79 years of age and rest 1,55,709 is the target for beneficiaries with 80 years of age and above. For the year 2021-22, an amount of Rs. 859.44 Crore has been provisioned under the programme.

3. INDIRA GANDHI NATIONAL WIDOW PENSION SCHEME (IGNWPS):

Government of India has launched this scheme during February-2009. Widows who are between 40-79 years and belong to household below the poverty line will be eligible to get pension @ Rs. 500/- per month in the scheme, out of which Govt. of India provides Rs. 300/- and the State Government allocates additional 200/- per beneficiary. At present, 5,28,570 beneficiaries have been covered under this scheme in our State. For annual budget 2021-22, an amount of Rs. 320.80 Crore has been provisioned for IGNWPS.

4. INDIRA GANDHI NATIONAL DISABILITY PENSION SCHEME (IGNDPS):

Govt. of India has launched this scheme during February-2009. Persons with severe or multiple disability between 18-79 years and belonging to household below the poverty line will be eligible to get pension @ Rs. 700/- per month. Here Govt. of India provides Rs. 300/- and the additional amount of Rs. 400/- is given by the State Government per beneficiary. At present, 90,754 beneficiaries have been covered under this scheme. For the year 2021-22, Rs. 69.05 Crore has been provisioned under the programme. The category-wise report on pensioners under NSAP is given below :

	Social Security Pension Category	Name of the Scheme	Total Target	Total Coverage
	National Social Assistance Programme (NSAP)			
Govt. of India Scheme	Old-age Pension	IGNOAP	1418631 1262922(60-79 yrs) 155709(80 yrs & above)	1418631
	Widow Pension	IGNWP	528570	528570
	Disable Pension	IGNDP	90754	90754
Total			2037955	2037955

During the FY 2021-22, we have added about 1.19 lakh new beneficiaries under three pension schemes of NSAP. Aadhaar seeding and verification was 100% and 99.23% under the scheme during this year.

5. NATIONAL FAMILY BENEFIT SCHEME (NFBS):

The scheme is one of the components of “National Social Assistance Programme” which is being implemented in the State w.e.f 15.08.1995. Under this scheme, financial assistance is provided to the BPL family on the death of the primary breadwinner of the family within the age group of 18-59 years w.e.f. 18.10.2012. A one-time grant of Rs 20,000/- is being provided to the bereaved families in each eligible case, the total of which is borne by the Govt. of India. During this FY, 19,224 beneficiaries have been benefitted under the scheme. Provision of Rs. 39.39 crore has been made under the Annual Budget 2021-22. It is noteworthy to add here that, w.e.f 1.4.2019, the assistance provided under NFBS has been made functional through DBT i.e. the one time assistance is being directly credited to the beneficiary bank account from State Nodal Account. The applications are being scrutinized, validated and sanctioned by BDOs and EOs at the district level and forwarded to the district for further validation. After detailed scrutiny at District level, the applications are forwarded to State in NSAP-PPS. The applications are approved at State level and payment is made to the eligible beneficiaries through PFMS directly to their Aadhaar linked bank accounts.

6. ANNAPURNA SCHEME:

10 Kg of food grains (wheat/rice) is given per month to each beneficiary. The scheme aims at providing food security to meet the requirement of those eligible old-aged persons who have remained uncovered under IGNOAP scheme. At present, 58,742 beneficiaries are being covered in this scheme.

Major Activities done under MBPY and NSAP.

1. DBT was initiated under National Social Assistance Programme. Under the revised procedure for fund release under CSS i.e. NSAP and its utilization, the banking set up and fund flow pattern undergone a massive change in this financial year.
2. State Bank of India was roped in for smooth implementation of SNA (Single Nodal Account) concept for NSAP fund flow to the districts. All the down level accounts previously opened in NSAP were closed and subsequently replaced by zero balance subsidiary accounts. Field offices were allotted a limit for expenditure under each scheme and actual funds were utilized out of the SNA.
3. Two new categories were created under Madhu Babu Pension Yojana for inclusion of the orphan children and widows of the COVID-19 affected families. MBPY guidelines were amended accordingly. During the FY about 110 orphan children were covered under MBPY and 1606 widows were covered under Madhu Babu pension yojana.
4. All the new sanctioned beneficiaries under MBPY were given pension in their bank accounts through e-transfer, as a measure of transparency and financial inclusion. These pensioners were forwarded a congratulatory message of Hon'ble Chief Minister through their registered mobile numbers.
5. Various activities were undertaken amongst the NSAP pensioners on special occasions to commemorate the 75th year of Indian independence as a part of Azadi ka Amrit Mahotsava.
6. Photographs of the activities taken during 2021-22 FY w.r.t pension schemes are given below.

B. Schemes & Services for the PwDs

1. Bhima Bhoi Bhinnakhyama Samarthya Abhiyan (BBSA)

- ✓ The BBSA adopts a multi-pronged approach to empower Persons with Disabilities by removing the constraints they face in accessing public services. It thus provides multi-sectoral services to PwDs on a campaign mode through a single window approach.

✓ In the year 2021-22, 309 BBSA camps have been organised at the district level. In these camps 52,967 Persons with Disabilities have been registered and 41,247 PwDs have been assisted. These camps have provided pre-assessment services for disability detection and evaluation leading to supply of aids and appliances to 5364 PwDs. Services such as income certification, transport concession, selection of PwDs for undergoing skill development training, bank linkage for loans and pension schemes were also provided in the camps. Children with Disabilities were also identified for school enrolment.

2. Uniform for Special School Students:

The Persons with Disabilities (Equal Opportunities, Protection of Rights and full Participation) Act, 1995 ensures free education to the child with disability in an appropriate environment till he/she attains the age of 18 years. RPwD Act, 2016 also provides for necessary support to maximise academic development consistent with the goal of full inclusion. Free education includes supply of the uniform to the school going children with disabilities. Hence Government has introduced a new Scheme “Uniform to the students of the Special schools”. The aim of the scheme is to provide two pairs of uniform annually to a total of 6815 nos. students of 103 special schools & one college that receive grant-in-aid from the State Government.

3. Grant-in-Aid to Special Schools:

To provide free and compulsory elementary education to Children with Disabilities as mandated in section (3)1 of the Right to Education Act 2009, special school are being set up. There are 103 Special Schools and one Higher Secondary School for HI running under the GIA fold of SSEPD Department with an approved strength of 6815 students with disabilities. Out of these 103 schools, 37 schools are for Hearing Impaired, 27 schools are for Visually Impaired, 34 schools are for Intellectual Disability, 02 schools for Autism and 03 schools for Cerebral Palsy students. The Maintenance of inmates has been enhanced to ₹ 1760/- P.M per hosteller from the existing ₹ 1200/- P.M. and Rs. 370/- P.M. for day scholar from the existing Rs. 250/- w.e.f. 01.04.2020.

Further non-recurring and one time grant for each school as detailed below with effect from 01.04.2020 was introduced. In this regard funds to the tune of Rs. 2,28,80,000 has been sanctioned from Non-Salary head.

1. Sports Equipment/Toys & Play Equipment –Rs. 10,000/- once in 3 years.
2. Furniture- Rs.1,00,000/- One Time Grant
3. Computer-Rs. 50,000/- One Time Grant.
4. Specialised Software/Access technology-Rs.60,000/- One Time Grant.

The approved strength of these schools and one Higher Secondary school is 6815 (6471 residential and 344 Non-residential). Out of the total students, 2971 are Hearing Impaired, 1528 are Visually Impaired, 1927 are Intellectual Disable, 140 are Cerebral Palsied and 83 are Autism students. Further, 166 HI students are studying in the Higher Secondary School.

Four Special Schools (two at Bhubaneswar & two at Burla) are managed by the Department of School & Mass Education, Government of Odisha.

Apart from this Government of India provides grant-in-aid to 49 Special Schools under DDRS. The list of Special Schools funded by state Government and Government of India are enclosed at Annexure-I & II respectively.

4. Distribution of laptops to Visually Impaired Students:

To encourage the students with visual Impairment Department has introduced a free Laptop Scheme. Under this Scheme, students pursuing Higher Education (graduation, post graduate courses, Degree Course in Engineering/Medicine/Management or any other Professional courses) after completing +2 are provided laptops with specially designed JAWS software. In addition to providing laptop all the beneficiaries are provided special training on JAWS software. The Budget provision during the year 2020-21 was Rs. 2.00 Crore. In the year 2020-21, distribution of laptops was paused as camps could not be held due to pandemic situation of COVID-19. However, online portal has been developed for making the service online.

5. Skill Development Training:

To make Persons with Disabilities capable of earning their livelihood, and self-employable, Skill Development trainings are being conducted in suitable trades as per NSQF Guideline.

The same is being carried out:

1. At NCSCDA, Bhubaneswar funded by Odisha Skill Development Authority (OSDA).
2. Through different empanelled agencies in different districts funded by this Department.
3. Special ITI, Jatni, Khordha
4. Vocational Training Center, Baranga, Cuttack

During the year 2020-21 no physical skill development training has been conducted due to the pandemic situation of COVID-19. However, Steps has been taken for imparting short term Skill Development Training in different it is, Skill Development Training on Art & Craft by SIDAC, BBSR, Training related to Agriculture & Horticulture by IMAGE, BBSR & OUAT, BBSR and Art, Dance & Music by Nrutya Upasana Pitha, BBSR.

5.3. Special Industrial Training Institute(ITI) for PwDs, Jatani, Khordha:

To make the PwD students of the state technologically advanced, a Special Industrial Training Institute(ITI) for PwDs has been established at Jatani, Khordha. The Institute offers full time vocational courses approved by the National Council of Vocational Training in the trades Dress making, Electrician, Fitter, Welder, Plumber, MMV, COPA & Basic Cosmetology. The trainees are recommended from the districts all over the state and each trainee is being provided with a

scholarship of Rs. 350/- per month. In the year 2020-21, 158 nos. of students with disability have got admitted ITI in the institute.

6. Pre-Recruitment Coaching for Persons with Disabilities (PRCPD):

A pre-recruitment coaching Centre has been established at NCSCDA, Pokhariput, Bhubaneswar for preparing PwD students to overcome different competitive exams. In the Centre PwD aspirants are being provided residential coaching for different written exams & interviews conducted by different recruiting bodies. In the year 2020-21 the physical residential training was paused due the pandemic situation of COVID-19. However, the coaching has been conducted online and a total of 45 students have been imparted online coaching.

7. Marriage Incentive:

To bring the Persons with Disabilities into the mainstream of the society and enable them to lead a normal and dignified life, the State Government has implemented Marriage Incentive Scheme from 1st October 2013. Under this Scheme, an incentive of ₹ 50,000/- was being provided to a married couple, provided that one of them is a person with disability. Collector and District Magistrate sanction the amount in the district. The budget provision during the year 2020-21 for this scheme was ₹ 500.00 lakh.

The amount of incentive has been enhanced to Rs. 2,50,000/- w.e.f. 22.02.2021. 131 nos. of couples were provided incentive at the previous rate and 222 nos. of couples were provided incentive at the enhanced rate.

HOSTELS FOR WOMEN WITH DISABILITY

To meet the special accommodation needs of outstation women with disability who are employed in Bhubaneswar and to create access for women with disabilities to higher education in the cities of Bhubaneswar and Cuttack, the Department of SSEPD has established hostels exclusively for them. A hostel for 50 women students with disabilities has been established in the Ramadevi Women's University in Bhubaneswar. A similar facility is coming up in the Sailabala Women's Autonomous College in Cuttack. A hostel for working women with disabilities is situated in Bhubaneswar and managed by the State Social Welfare Board. It has a capacity of accommodating 58 residents.

During the financial year 2019-20, 10 crores was allocated under the Scheme and the amount was utilized for completion of G+4 building inside NCSCDA of Pokhariput.

D. SCHOLARSHIPS

BANISHREE SCHOLARSHIPS

Banishree Scholarship Scheme– A Scheme of Scholarship for Students with special needs. The main purpose of the scholarship to the students with special needs is to assist and encourage them to study as well as acquire technical/professional/vocational training so as to enable them to earn a living and to become productive members of society.

Achievement: The State Government introduced the scheme during the year 1978-79 to award scholarships to the day scholars among disabled students studying in schools and colleges with a view to encourage them to continue their studies and to bring them into the mainstream of the society. The State Government grants scholarships to the students from Primary school level up to the University level at prescribed rates through DSSOs. This is a continuing scheme. During the financial year 2020-21, provision of Rs.8.00 Crore was made and 23111 beneficiaries were provided Scholarship under the scheme. Besides, trainees of the National Career Service Centre for Differently Abled (NCSCDA), Bhubaneswar are also getting stipend from this Department out of the Budget provision made under the Head "Scholarship & Stipend to Disabled Children."

PRE-MATRIC, POST-MATRIC AND TOP CLASS SCHOLARSHIP

The scholarship is one-stop solution through which various services starting from student application, application receipt, processing, sanction and disbursement of various scholarships to Students are enabled. This initiative aims at providing a Simplified, Mission-oriented, Accountable, Responsive & Transparent '**SMART**' System for faster & effective disposal of Scholarships applications and delivery of funds directly into beneficiaries account without any leakages.

Ensure timely disbursement of Scholarships to students Provide a common portal for various Scholarships schemes of Central and State Governments Create a transparent database of scholars Avoid duplication in processing Harmonisation of different Scholarships schemes & norms Application of Direct Benefit Transfer.

Achievements: Pre-matric scholarship comprises a monthly maintenance allowance of Rs. 350 per month for day scholarship and Rs. 600 for hostellers along with a book grant and travel and reader allowances. Presently, the number of student with disabilities receiving Pre-matric scholarship is 1341. Post-matric scholarship ranges from Rs. 230 to Rs. 500 for day scholars; and Rs. 380 to Rs. 1200 for hostellers. This scholarship has been availed by 1930 number of students with disabilities in the year 2020-21. Top-class scholarship for post graduate students includes a monthly allowance of Rs. 1500 for day scholars and Rs. 3000 for hostellers along with a book grant of Rs. 5000 per annum and tuition fee upto Rs. 2 lakh. This scholarship has been availed by 19 number of students with disabilities in the year 2020-21.

ACCESSIBLE INDIA CAMPAIGN

The Government of India initiated the Accessible India Campaign (AIC) and it is implemented through the Government of Odisha to make all the public buildings accessible and barrier free for Persons with Disabilities.

Moreover, all the Government websites along with public documents are made accessible for PwDs.

It was mandated for making 50% of all the govt. buildings of the national capital and all the state capitals fully accessible by December 2018 to promote facilities of accessibility in Public Buildings. Government of India have released funds in respect of 39 buildings. Out of the 50 public buildings, the retrofitting works in respect of 29 buildings have been completed and in respect of other buildings work is under progress. Buildings of state capital covered under Accessible India Campaign:

Pathani Samanta Planetarium	Head of Department Buildings
Ekamra College	State Museum
CET	OLA Building
Biju Pattanaik Park	Secretariat
IG park	Commissionerate of Police
Jaydev Bhawan	State Election Commission

Information & P R Building	Capital Hospital
CM Grievance Cell	Rajdhani College
Chief Electoral Officer (Home) Election Deptt, Unit-V	Rajiv Bhawan
RTO- II	Boyanika Bhawan
Rabindra Mandap	Housing Board Building
State Social Welfare Board	Ramadevi University
HKM State Library	College of Engineering and Technology
Niramana Soudha	State Guest House
BJB College	

It was also mandated to make 50% of State Government websites to be made accessible for PwDs and complying with GIGW guidelines by March 2017. 21 websites have been identified to make them accessible to PwDs. So far 253 websites have been identified by NIC & IT Department, out of which 114 (45%) have been made moderate to fully accessible. In addition to websites efforts are initiated to list out all important public documents of all the Departments and make them accessible for PwDs.

Works Department, Government of Odisha have identified 203 public buildings in the State Capital Bhubaneswar, out of which 117 public buildings have already been retrofitted including buildings covered under AIC. 10 important Towns/ Districts were identified in the State where 50% building are to be made fully accessible by December, 2019. In the said towns 583 buildings have been identified so far out of which 63 buildings have been conducted the access audit. Cost estimates are pending with Works Department.

CREATION OF CAPITAL ASSETS

SSEPD Department is taking special initiatives for creation of capital assets for different subsidiary institutions and NGOs working under the Department for operating different programmes for the vulnerable target population covered under the Department.

Under the reporting year 2021-22, Rs 20crores has been allocated for the welfare of the People with Disabilities and Rs 1crore for the hostel of Girl students with Disabilities.

In this endeavour the Department locates important institutions working under the Department with primary focus on subsidiary institutions of the Department and providing them financial support for construction of building and creation of other infrastructure.

During the ongoing reporting period the construction of SIEP & SISER buildings are completed. Constructions/ renovation of SIDR, DDRRC-Sambalpur, VTC-Barang is in process. The construction of hostel for Girl students with Disabilities has started in Balangir.

REHABILITATION OF LEPROSY CURED PERSON (LCP)

State Government in order to provide social security and financial assistance to the persons cured of leprosy, have adopted a Rehabilitation Programme since 1985-86 and financial assistance in favour of the Hind Kusth Nivaran Sangh (HKNS), Odisha State Branch, Bhubaneswar is being sanctioned for providing vocational training to cured leprosy patients in different trades.

In 2020-21, an amount of Rs. 1.00 crore was sanctioned under the scheme for maintenance of 152 beneficiaries rehabilitated in the HKNS Centres at Paralakhemundi, Balasore, Sambalpur and Cuttack and other activities.

The State Government is also taking the following measures to rehabilitate the cured leprosy persons in the State: -

1. Cured Leprosy Persons are one of the 21 categories of Disability. As a result, there is a provision of not less than 4% reservation in employment in Government jobs and 5% reservation in educational institutions for Persons with Benchmark Disabilities.
2. 5% reservation in all poverty alleviation and various developmental schemes, allotment of agricultural land and housing is earmarked for Persons with benchmark Disabilities.
3. Cured Leprosy Persons having 40%-59% disability are being provided with Rs. 500 per month and those with more than 60% disability are being provided with Rs. 700 per month under Madhu Babu Pension Yojana.
4. MCR footwear, aids and appliances are being provided to the Cured Leprosy Persons.

5. The SHGs duly constituted by not less than 5 members (both males & females) and registered with District Social Security Officers will be supported with one-time assistance of Rs. 50,000/- for initial activity support and start-up capital.
6. An incentive of Rs. 50,000/- as an award has been earmarked for each cured leprosy person for returning to the mainstream society.
7. To ease the challenges faced by the cured leprosy person to marry off his/ her daughter, an amount of Rs. 50,000/- is being provided as marriage incentive.
8. Provision of Monetary support assistance of Rs 1000/- per child per month for Parents cured of leprosy till the child attains the age of 18 years.
9. Skill development training to the Cured Leprosy Persons is being provided to enable them to start income-generating activities on their own or get gainfully employed in some sector or the other.
10. Self-Employment Kits depending upon the trade requirement of cured leprosy persons are being provided so that they can start their business from a small scale or home-based unit and earn a livelihood for themselves and their families.
11. In 2021, an umbrella scheme for rehabilitation of Cured Leprosy persons was formulated which aims to provide equity and equal opportunities to CLPs which will promote them both as an individual and an group to gain employment and other socio-educational services.

Rehabilitation of Physically & Mentally Challenged, Socially Disadvantaged Persons, Care & Protection of Intellectual Disability

Department of Social Security and Empowerment of Persons with Disabilities, Government of Odisha aims to provide managerial support to selected NGOs working in the field of rehabilitative & therapeutic services to children/ persons with intellectual disabilities such as Mental Retardation, Cerebral Palsy/ Spasticity, Autism Spectrum Disorder and Mental Illness. These Guidelines are issued to strengthen the initiative taken by Government in SSEPD Department Office Memorandum No. 1214. Dated 20.02.2016.

Achievement : The scheme was introduced during 2008-09 for rehabilitating the Physically & Mentally Challenged, Socially Disadvantaged Persons. Rehabilitation and therapeutic services provide effective services to persons with intellectual disabilities and assist in their reintegration into community life. Voluntary organizations engaged in providing such services, necessary for rehabilitation of persons with intellectual disabilities including early intervention,

development of daily living skills, therapeutic intervention etc. State Government have introduced the scheme for Persons with Intellectual Disability and Care and Protection of Spastic Children with an objective of creating awareness among the public as well as the parents of spastic children and to provide training and education to them with cerebral palsy in order to make them self-sufficient. This scheme is demand driven and for the year 2020-21, provision of Rs.12.00 Crore was made. 63 NGOs have been empanelled to provide services to the disabled persons in 66 centres spreading over 27 districts. During the year, 1456 residential and 2055 non-residential total 3511 children are benefitted under the scheme.

STATE LEVEL LIBRARY CUM RESOURCE CENTRE

The Department of SSEPD, has set up an academic resource-centre for the PwD. This library, functions as a full-fledged database provider, ensuring that material is available in accessible formats as per the type of disability. For example, availability of audio books and Braille books for visually-impaired, visual sign-language material for hearing-impaired, sensitized learning aids for other PwDs etc.

SCHEMES FOR SENIOR CITIZENS

Home for the Aged

In order to provide care and protection to elderly persons, the State Government have been extending financial assistance in the shape of grant-in-aid through Voluntary Organizations for maintenance of Old Age Homes/ Senior Citizen Homes at Nimapara, Jagatsinghpur, Cuttack and Nayagarh. This is a continuing Scheme. 100 older persons (25 each of the four Homes for Aged) irrespective of sex, caste, creed, colour and religion are being provided with free food and clothing, medical treatment and recreation facilities in these institutions. For the FY 2021-22 Budget Provision of Rs. 61,25,400 has been made for the same.

Programmes & Activities for Senior Citizens

Government of Odisha has decided to provide adequate facilities for welfare of Senior Citizens in the state. A Scheme i.e. "ABADANA" has been launched by the State Government. For the year 2021-22 there is budget provision of Rs.250.00 Lakh for implementation of different welfare programmes for senior citizens in the State. Also the BAYOJYESTHA SAMMAN Award has

been introduced in the year 2017-18 to recognize outstanding contribution of individuals and institutions in the field of senior citizens.

Atal Vayo Abhyuday Yojana (AVAY) for Senior Citizens

Government of Odisha have operationalized this Central Sector Scheme by establishing Physiotherapy Clinics and Mobile Medicare Units in the districts. All districts will be covered under this scheme and Selection Committee has been constituted for selection of Programme Implementing Agencies to run the centres. Programme Implementing Agencies have been finalised in 15 districts so far. A Nodal State Project Monitoring Unit has also been composed for smooth management of the centres in the districts.

Old Age Home / Senior Citizen Homes

There are 95 Senior Citizen Homes functioning in the State by selected NGOs/CVOs are being funded by Government of India under the Schemes the Central Sponsored Scheme “Atal Vayo Abhyuday Yojana” directly, and 4 numbers of Senior Citizen Homes are funded by State Government.

Integrated Infrastructure Complex (IIC)

Integrated Infrastructure Complexes (IICs) are being developed by Department of Social Security & Empowerment of Persons with Disabilities as National Centres of Excellence with facilities like Old Age Home, Home for Destitutes, School and Hostel for HI, VI and ID students. In 1st phase constructions have been taken up in 10 districts. Other 8 DMF districts will be encouraged to take up construction of IICs expeditiously out of DMF fund. Construction of IICs in the remaining 12 districts will be taken up in the second phase after reviewing successful implementation of the first phase projects. A graduated approach will be followed for shifting of Special Schools / Institutions which are not safe or the infrastructures are in dilapidated condition are to be shifted to the IIC buildings in the first phase.

Integrated Infrastructure Complex (IIC) of Khordha district has been completed. One block in each of the IICs, located at Sambalpur, Kandhamal, Khordha, Sundargarh, Ganjam, and Cuttack is completed, Construction at Nawarangpur, Bhadrak, Malkangiri, Puri, will be completed very soon.

Construction of additional IIC building for blind (Students) and Senior Citizen One Block each at Sambalpur and Kandhamal is also initiated. Funds are provided for completion/ furnishing of these IICs. Operational Cost to 6 IICs i.e, at Sambalpur, Kandhamal, Khordha, Sundargarh, Ganjam and Cuttack has been released .

National Helpline for Senior Citizens

The Government of India in collaboration with the SSEPD department and OCAC and E-square is operating the National Helpline for Senior Citizens in Odisha. Elder Line is a National Helpline for Senior Citizens (NHSC) set up by the Ministry of Social Justice and Empowerment in collaboration with National Institute of Social Defence (NISD) and State Governments.

Operationally, the state agency is working closely with all state departments and district functionaries to deliver services. Elder Line 14567 is a toll-free number open 12 Hours a day (8:00 AM to 8:00 PM), that provides free information, guidance, emotional support, field intervention in cases of abuse & rescues in order to improve the quality of life of senior citizens. In case of emergencies like pandemic, this helpline can support senior citizens with the right and on-time information for medical needs, emotional support and other associated needs in collaboration with all the state departments.

In the ongoing year 185 Awareness and 386 stakeholder meetings were held.

During the FY 2021-22:

Category	No. of Calls received

C. SCHEMES & SERVICES FOR PERSONS WITH ADDICTIONS

DISHAA- An Initiative for Rehabilitation of Victims of Substance Abuse, aims for the Prevention of Alcoholism and Substance (Drug) Abuse. In the year 2020-21, "DISHA" Guideline for State scheme was launched with programme activities including De-addiction, Drug Demand Reduction, Extensive Abuse, Research Documentation, Inter Department Co-ordination and Rehabilitation of Ex-addicts along with welfare support to their dependent affected by addiction. DISHAA aims to create public awareness and educate community and people about the ill-effects of alcoholism and substance abuse on the individual, the family, the workplace and society at large; to provide for community-based services for identification, motivation, counselling, deaddiction, referral services, after care and rehabilitation for Whole Person Recovery (WPR) of addicts to make victims drug and crime free; to alleviate the consequences of drug and alcohol dependence amongst the individual, the family and society at large through family counselling and moral education; to provide support for skill upgradation, self-employment, organization of Self-Help Groups (SHGs) and other assistance for gainful employment; to organize outreach activities including de-addiction camps, moral education and yoga camps, youth activities, campaign at educational institution level for prevention of substance abuse and to facilitate research, training, documentation and collection of relevant information to strengthen the above-mentioned objectives and support other activities which are in consonance with the programme objectives;

Services are provided through District Disability Rehabilitation Centres (DDRCs), Integrated Rehabilitation Centre for Addicts (IRCA), Non-Government Organizations (NGOs) and other Project Implementing Agencies (PIAs). With a view to reducing the demand for and consumption of alcohol and dependence producing substances including all Narcotic Drugs and Psychotropic substances covered under the NDPS, Act, 1985 and other addictive substance, other than tobacco, the thrust would be on preventive education programmes and Whole Person Recovery of the drug dependent persons.

DISHAA targets all victims of alcohol and substance (drugs) abuse with a special focus on: -

- Children including street children, both in and out of school.
- Adolescents/Youth.
- Dependent women, children and young girls, affected by substance abuse.

- High risk groups such as sex workers, Injecting Drug Users (IDUs), Transgender Persons, drivers etc.
- Prison inmates in detention facilities including children in juvenile homes addicted to drugs.

National Action Plan for Drug Demand Reduction (NAPDDR):

National Action Plan for Drug Demand Reduction (NAPDDR) is a national Government scheme, takes initiatives towards DRUG DEMAND REDUCTION in the country which is carried out through Government of India, State/UT Governments, implementing agencies like PRIs, NGOs, Trusts, ULBs, Autonomous organisations, Technical Forums, Hospitals, Prison Administrations and so on. NAPDDR is an umbrella scheme under which projects and schemes are implemented through both modes of funding as in a central sector and a centrally sponsored scheme.

National Action Plan for Drug Demand Reduction (NAPDDR) aims at reduction of adverse consequences of drug abuse through a multi-pronged strategy towards prevention, Treatment and Rehabilitation of affected individuals and their families.

The prime objective is to focus on preventive education, awareness generation, identification, counselling, treatment and rehabilitation of individuals with substance dependence, training and capacity building of the service providers through collaborative efforts of the Central and State Governments and Non-Governmental Organizations and Create awareness and educate people about the ill-effects of substance dependence on the individual, family, workplace and the society at large and reduce stigmatization of and discrimination against, groups and individual's dependent on substances in order to integrate them back into the society.

NAPDDR Formulates and implements comprehensive guidelines, schemes, and programmes using a multi-agency approach for drug demand reduction; Undertake drug demand reduction efforts to address all forms of illicit use of any substances; and develops human resource and build capacity to Provide for a whole range of community-based services for the identification, motivation, counselling, de-addiction, after care and rehabilitation for Whole Person Recovery

(WPR) of dependents. It also facilitates research, training, documentation, innovation and collection of relevant information to strengthen the above-mentioned objectives.

The scope of prevention of drug use is by sensitizing the community and target groups in the workplace, educational institutions and society in the whole. Government of India & Government of Odisha both are focusing on reducing Drug demand reduction with their respective plan of actions. Under NAPDDR action plan, implemented NAV-Chetana Programmes in 10 districts of Odisha are Angul, Balasore, Cuttack, Ganjam, Jagatsinghpur, Kalahandi, Kendrapara, Khorda Puri and Sundargarh with massive focus on provided Education and Awareness of school going children in the age group 11 – 18.

There are 3 models of Navchetana i.e.

- Navchetana I- Teacher led Intervention,
- Navchetana II- Resource Person led Intervention,
- Navchetana III- NGO led Intervention.

This programme will be implemented in 10 schools in each identified districts (Total 100 schools) in Odisha.

IRCAs/ ODIC and CPLI

- 41 IRCAs running in 29 districts at Odisha (Except Bolangir)
- 8 ODIC running in 8 districts at Odisha (Angul, Boudh, Cuttack, Jagatsinghpur, Kandhamal, Khorda, Puri & Rayagada)
- 3 CPLI projects running in 3 districts (Angul, Khorda & Puri)
- A State Level coordinating Agency (SLCA) at Khorda

➤ Community based Peer led Intervention (CPLI):

Community based Peer led Intervention programmes was launched in the many more identified districts depending upon the requirement for early Drug Use Prevention among Adolescents. Through the programme, youth are trained as Peer Educators to lead peer led community intervention and implement early prevention education especially for vulnerable adolescents and youth in the community. This programme also provides as referral and linkage to counselling, treatment and rehabilitation services for substance dependents identified in the community.

Govt of India has introduced Community Based Peer Led intervention which would be appropriate for preventing and reducing the substance use among the young people. Through peer led intervention the aim is to reach children and early adolescents who are, Vulnerable children/ adolescents at the age group 10 – 18 who are non-users.

In the state, 3 CPLI projects are running in 3 districts i.e., Angul, Khorda & Puri

Program Activities

- Outreach activities in the community among vulnerable children and adolescents
- Community Mapping and Assessment
- Identification and Training of adolescents as Peer Educators to lead Peer led community intervention
- Life skill sessions: particularly designed for prevention of substance use in communities by selected and trained Peer Educators
- Providing psychosocial therapies
- Follow-up care including family counselling

➤ Outreach and Drop-in Centres (ODIC):

Outreach and Drop-in Centres (ODICs) are established in more identified districts to conduct outreach activities in the community for prevention of substance use with a special focus on youth who are dependent on substances. The ODICs provide safe and secure drop-in space for substance users in the community. These centres have the provision of screening, assessment and counselling and provide referral and linkage to treatment and rehabilitation services for substance dependents.

The ODIC aims:

- To reduce substanc- use in the community.
- To protect and promote human and youth rights.
- To ensure that services are accessible, community based and differentiated along a continuum of care including psychosocial support for substance users, their primary caregivers and families.
- To conduct outreach activities among vulnerable young population in the community for prevention of substance use.

- To provide a safe and secure drop-in space for substance users in the community, which would have provisions of screening, assessment and counselling.
- To render psycho social interventions particularly based on behavioural approaches including Adolescent Community Reinforcement Approach, Cognitive Behavioural Therapy, Contingency Management, Motivational Enhancement Therapy, Twelve- step facilitation therapy and Group therapy.
- To provide referral and linkage to treatment, care and rehabilitation services for substance dependents.

During the FY 2021-22:

- 8 ODICs are functioning in Angul, Boudh, Cuttack, Jagatsinghpur, Kandhamal, Khorda, Puri & Rayagada.
- 1 SLCA functioning at Khordha.

Integrated Rehabilitation Centre for Addicts (IRCA)

The IRCA is working with Grant in Aid from Department of Social Justice, Govt. of India. Integrated Rehabilitation for Drug Addicts (IRCA), provides integrated services for the rehabilitation of substance dependent person including juveniles, children, males and females. IRCA works towards preventive education and awareness generation, targeting both vulnerable and at-risk groups. It envisages total recovery of the addicted person by gaining a socio-economic status in society with a combination of individual counselling. IRCA also aim to enabling the addict to achieve total abstinence and improve the well-being of their lives. The detoxification services are provided for safe and ethical management of withdrawal symptoms.

The Integrated Rehabilitation Centre for Addicts (IRCA) have been equipped by incorporating additional elements such as outreach that aims at generating demand for treatment and facilitates access to services along with outpatient treatment that provides prescription medicines by qualified personnel. Residential treatment is made available to those in chronic conditions.

Odisha has 41 Integrated Rehabilitation Centre for Addicts (IRCA) covering 29 districts in the state. These centres are supported by the Government of India and offer the entire range of

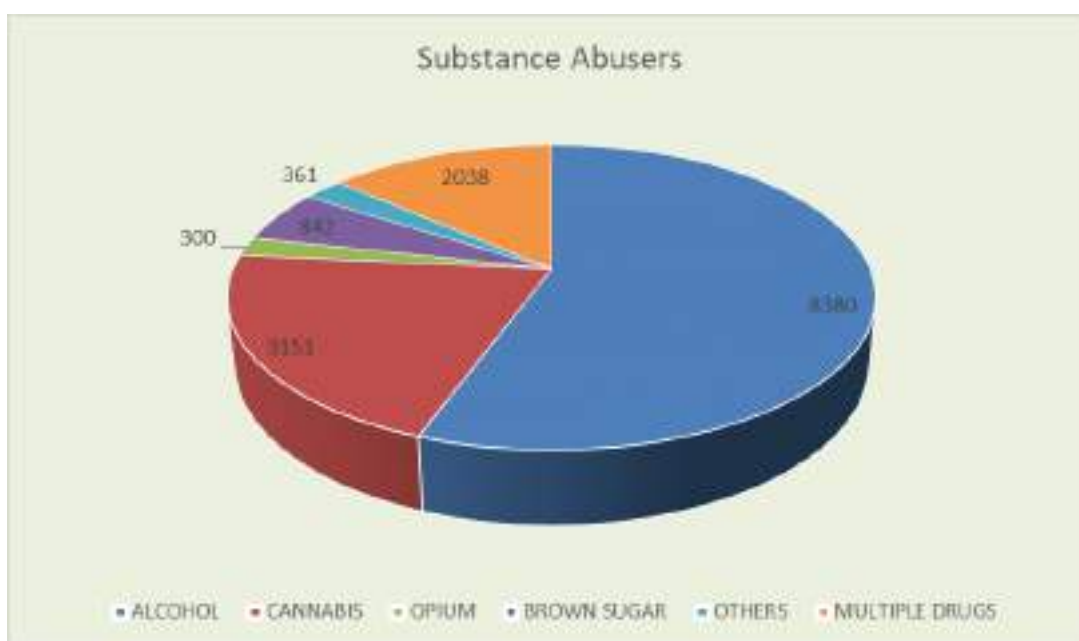

community-based services for the identification, motivation, counselling, de-addiction, after care and rehabilitation for Whole Person Recovery (WPR) of addicts.

In 2021-22,

The IRCAs have assessed 25632 persons and successfully treated 15072 persons with addictions.

A total of 11620 persons were whole person recovered and maintained a sober life.

De-Addiction Centre (Non-Clinical) – Preventive Campaign

Narcotic Drugs and Psychotropic Substances Act, 1985, was enacted, inter alia, to curb drug abuse. Within the purview of the Act, “Narcotic Drug” means “coca leaf, cannabis (hemp), opium, poppy straw and includes all manufactured goods”, whereas “Psychotropic substance” means “any substance, natural or synthetic, or any natural material or any salt or preparation of such substance or material included in the list of psychotropic substances specified in the Schedule”. Section 71 of the Act (**Power of Government to establish centres for identification, treatment, etc. of addicts and for supply of narcotic drugs and psychotropic substances**) contains provisions for setting up of rehabilitation and treatment centres for drug dependent persons. The demand reduction strategies consist of education, treatment, rehabilitation and social integration of drug dependent persons for prevention of drug abuse.

Recently, the scope of programme is enhanced after launching of National Action Plan for Drug Demand Reduction (NAPDDR) and accordingly number of NGO based activities is also increased such as ODIC, CPLI etc in addition to IRCAs.

In the year 2020-21, “DISHA” Guideline for State scheme is launched with programme activities including De-addiction, Drug Demand Reduction, Extensive Abuse, Research Documentation, Inter Department Co-ordination and Rehabilitation of Ex-addicts along with welfare support to their dependent affected by addiction.

The key strategies are as follows: -

1. Evolve culture-specific models for the prevention of alcoholism and substance abuse and for rehabilitation of drug dependent persons;
2. Promote collective initiatives and self-help endeavor among individuals and groups vulnerable to addiction or found at risk;
3. Increase community participation and public cooperation in the reduction of demand for dependence-producing substances;
4. Create and sustain an infrastructure of trained human resource personnel and service providers to strengthen the service delivery mechanisms;

5. Establish and foster appropriate synergy between State interventions, corporate initiatives, the voluntary sector and other stakeholders in the field of substance abuse prevention;
6. Facilitate networking among policy planners, service providers and other stakeholders, with an aim to encourage appropriate advocacy; and
7. Promote and sustain a system of continuous monitoring and evaluation including self-correctional mechanism.

State Project Monitoring Unit (SPMU)

Under this State Project Monitoring Unit is functioning.

The main objective of the State Project Monitoring Unit is for collection of data, information and monitoring of the de-addiction centres functioning in the State and awareness campaign on prevention of alcoholism & drug abuse.

Setting up of Rehabilitation Centre at Khordha & Puri

In the FY 2020-21 setting of Rehabilitation Centre at Khordha & Puri is approved. The rehabilitation Centre at Khordha& Puri will provide a composite service for recovery of person dependent with alcohol & drug abuse. Rehabilitation centre envisages total recovery of the addicted person leading to his/her socio economic rehabilitation through an appropriate combination of individual counselling. Recovery centre also aim to enabling the addict to achieve total abstinence and improve the quality of their lives. The detoxification services would be provided for safe and ethical management of withdrawal symptoms. The addict would be helped to overcome the desire to use drugs even when he is in situations which were once tempting.

Objectives of National Action Plan for Drug Demand Reduction

- ✓ Create awareness and educate people about the ill-effects of drugs abuse on the individual, family, workplace and the society at large and reduce stigmatization of and discrimination against, groups and individual's dependent on drugs in order to integrate them back into the society;

- ✓ Develop human resources and build capacity for working towards these objectives;
- ✓ Facilitate research, training, documentation, innovation and collection of relevant information to strengthen the above mentioned objectives;
- ✓ Provide for a whole range of community based services for the identification, motivation, counselling, de-addiction, after care and rehabilitation for Whole Person Recovery (WPR) of addicts;
- ✓ Formulate and implement comprehensive guidelines, schemes, and programmes using a multiagency approach for drug demand reduction;
- ✓ Undertake drug demand reduction efforts to address all forms of drug abuse;
- ✓ Alleviate the consequences of drug dependence amongst individuals, family and society at large

State Action Plan is prepared and submitted to Ministry for implementation of the programme. The State action plan covers school level awareness programme for children, Drug demand reduction measures and establishment of de-addiction centre for women, male, juvenile.

NASHA MUKT BHARAT ABHIYAN

Nasha Mukht Bharat Abhiyaan (NMBA) was launched on dt. 15.08.2020 by Ministry of Social Justice & Empowerment under National Action Plan for Drug Demand Reduction. The main objective of this campaign is to implementation and monitoring of several interventions which include prevention, assessment of extent of problems, treatment and rehabilitation of users, dissemination of information and generation of awareness among public. 272 districts were chosen under the programme through-out the Country as most vulnerable districts. In Odisha, 10 districts were chosen these are Angul, Boudh, Cuttack, Deogarh, Gajapati, Kandhamal, Malkangiri, Puri, Rayagada and Sambalpur.

SCHEMES & SERVICES FOR TRANSGENDER PERSONS

The Social Security and Empowerment of Persons with Disabilities (SSEPD) Department, Government of Odisha recognizes that Transgender Persons are valuable human resource for the society and seeks to create an environment that provides them equal opportunities, protection of their rights and full participation in society. Welfare schemes are implemented for the empowerment of the Transgender persons. The state and centre have provision of various schemes for the Transgender persons.

SWEEKRUTI Scheme:

As part of an integrated initiative for Transgender Equality & Justice the SSEPD Department had launched the umbrella scheme “SWEEKRUTI” operated in a mission mode with manifold objectives.

Government is implementing “SWEEKRUTI” Scheme since 2016-17 for welfare of transgender persons in the State, under this scheme provision has been made for their survey and identification, issue of multi-purpose smart cards, assistance to parents with transgender children, pre-matric and post-matric scholarships, personality development, skill upgradation entrepreneurship development along with critical services such as Health Care, Legal Aid and Counselling services.

10 Transgender based PIAs/CBOs have been empanelled and engaged to take up Skill upgradation, Awareness and Personality Development, SHG Formation/ livelihood generation and other activities throughout the State. Focus under the scheme is given on removing all TG persons in the state from begging to respectable living and ensuring a better livelihood option for them. In 2021-22, budgetary provision of Rs.2.5 crore was provided.

During the FY 2021-22:

- 128 SHGs are formed and 676 people are covered in skill training for transgenders.

National Council for Transgender Persons:

The Government of Odisha is the representative member and the state also has a community member representative in the National Council for Transgender Persons (NCTP).

National Portal for Trans-gender:

Ministry of Social Justice & Empowerment has launched the National Portal for Transgender persons. The national portal for transgender provides the facility for transgender person to apply for certificate and identity card from across the country without physical interface through a seamless end to end mechanism. The Transgender certificate & identity card are nationally recognised and provided by the Ministry of Social Justice & Empowerment. The certificate is a mandatory document to avail the welfare measures being provided under the SMILE scheme.

National Portal for Transgender Persons provides for the procedure for identification certificates issued by the District Magistrate has been established and is functional in all districts of the country. The portal also enables trans persons to register their grievances and help build a database of the community.

During the FY 2021-22, 1489 ID cards for transgender has been issued by the PIAs in Odisha.

SCHEMES & SERVICES FOR THE BEGGARS

Beggary is the consequence of destitution, a situation of extreme vulnerability with multiple dimensions. Persons experiencing destitution live in a vicious cycle of poverty, homelessness, powerlessness, stigmatization, discrimination, exclusion and material deprivation, all of which mutually reinforce each other. Poverty or abandonment amongst homeless persons, persons affected with leprosy, the differently abled, persons with mental disabilities, the old, infirm and others in similar situations forced many people to adhere to begging. A substantial percentage of people who are found begging are persons with disability, infirm or affected by illnesses such as leprosy.

The Social Security and Empowerment of Persons with Disabilities (SSEPD) Department, Government of Odisha recognizes that beggars are valuable human resource for the society and seeks to create an environment that provides them equal opportunities, protection of their rights and full participation in society. The SSEPD Department, Government of Odisha, as part of an integrated initiative for beggars promotes the new umbrella scheme “SAHAYA” for protection, care and rehabilitation of beggars to be operated in a mission mode with manifold objectives.

The State Government is implementing “SAHAYA” scheme since 2017-18 to address the problems of beggars and destitute in the State and to facilitate their rehabilitation process.

The “SAHAYA” scheme ensures equitable justice for beggars, primarily the leprosy affected, aged and differentially abled. SAHAYA scheme aims to assisting their parents, providing pre-matric and post-matric scholarships and establishing rehabilitation centres where skill development trainings, self-employment kits and other incentives would be given to them along with health care and counselling services with the goal of mainstreaming them back into society.

INSTITUTIONS

The State Institute for Disability Rehabilitation (SIDR) at Bhubaneswar is the nodal agency for disability rehabilitation in the state and monitors and guides the District Disability Resource Centres functioning in eight districts of the state. It provides specialized medical and social rehabilitation services to persons with physical disabilities. It has staff specialized in orthopedic, intellectual, visual and speech and hearing disability treatment. Psychological counselors and social workers ensure that they are rehabilitated in their families and mainstreamed into society through education, skill development and self-employment. It also distributes and fabricates aids and appliances as per the requirement of its clients. Specialized equipment such as Brainstem Evoked Response Audiometry (BERA) are used for maintaining precision in assessment. In the year 2020-21, the SIDR was allocated Rs 240.00 lakh for its various activities.

DISTRICT DISABILITY REHABILITATION CENTRE (DDRC)

The District Disability Rehabilitation Centres (DDRCs) and State Institute of Disability Rehabilitation (SIDR) is functioning under the NPRPD scheme i.e., National Programme for Rehabilitation of Persons with Disabilities (NPRPD) scheme in the state. There are 8 states run DDRCs which are operational in Khordha, Kalahandi, Kandhamal, Koraput, Mayurbhanj, Ganjam and Nabarangpur. SIDR & DDRCs provide comprehensive rehabilitation for persons with disabilities at District level.

As of now, the DDRCs are undertaking specialized services such as survey & early detection, physiotherapy, occupational therapy, audiological assessment, psychotherapy, mobility training, surgery, speech therapy, fitment of assistive devices/aids & appliances, Govt. schemes/concessions and programmes of socio-economic rehabilitation, maintaining liaison with other institutions, networking, coordination and monitoring, Information and documentation services and creation of database, organization and coordination of service camps, referral services to hospitals & other agencies at District and State level etc. The SIDR & DDRCs in the state/districts also play a major role in implementing other social welfare activities of the department.

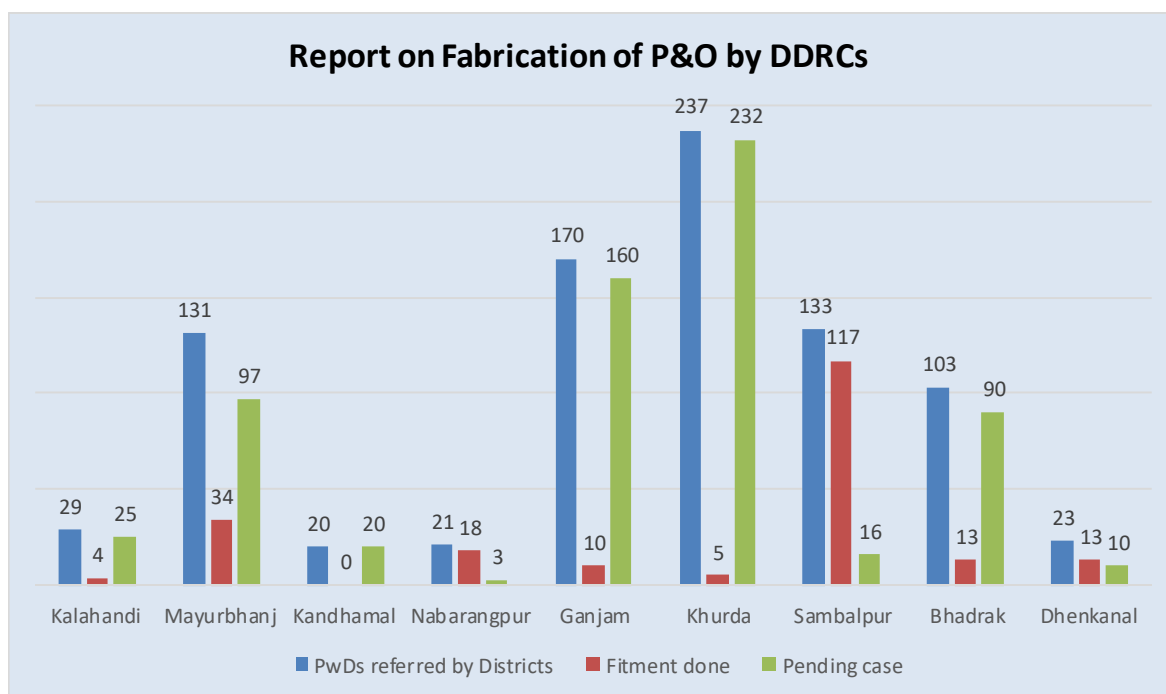

Additionally, the DDRC at Kandhamal has got the recognition as the Nodal Agency for Corrections in the state and the DDRC at Sambalpur and Ganjam have been declared as Regional Centre for Disability Rehabilitation (RCDR).

DDRC Scheme under Govt. of India (SIPDA): - The Govt of India has approved for setting up of two DDRCs at Dhenkanal & Bhadrak and funds were released for the same. The DDRCs has been set up and the required man power are recruited and became fully functional during the year 2021-22.

The DDRCs are undertaking specialized services such as survey & early detection, physiotherapy, occupational therapy, audiological assessment, psychotherapy, mobility training, surgery, speech therapy, fitment of assistive devices/aids & appliances, Govt. schemes/ concessions and programmes of socio-economic rehabilitation, maintaining liaison with other institutions, networking, coordination and monitoring, Information and documentation services and creation of database, organization and coordination of service camps, referral services to hospitals & other agencies at District and State level etc.

During the year 2021-22:

- 166 Assessment Camps were conducted.
- 13122 cases evaluated/assessed.
- 24293 Certificates Generated under UDID.
- 4956 Identity Cards issued to PwDs.
- 159 surgical Corrections done.
- 169 cases referred to ARC, SIEP and others.

Advance Rehabilitation Centres (ARC)

The ARC is functioning as a state level unit by the state government at a cost of 19.49 crore for five years. The ARC is serving to the increasing demand of providing High Quality artificial limbs and assistive devices to PwDs who have lost limbs as a result of traumatic injuries, vascular diseases, cancer, congenital disorders and have disabilities with musculoskeletal disorders through computerized measurement and fabrication process.

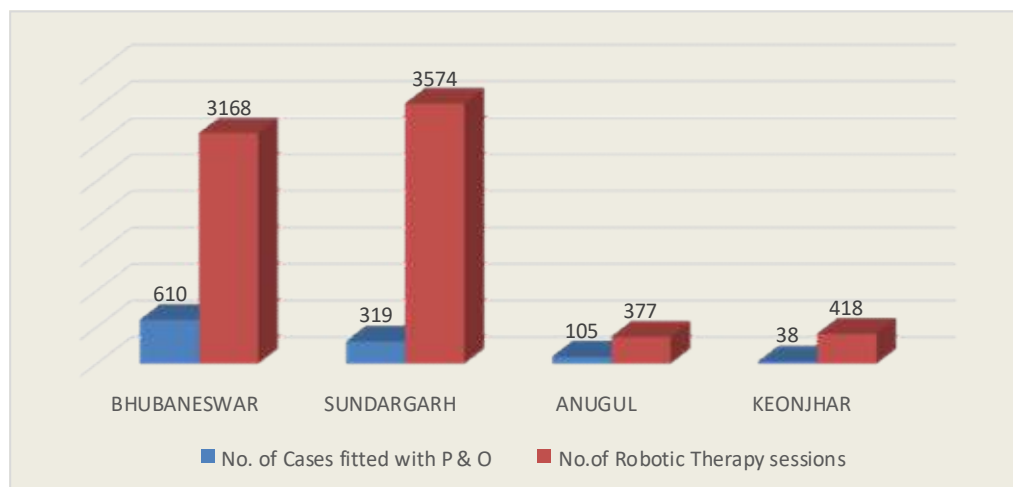

ARC is the first of its kind in the state to set up advanced robotic system for addressing the problems of muscular disorders, paralysis, brain stroke and other neurological conditions through robotic therapies. The services of ARC, Bhubaneswar includes Physiotherapy Services, Robotic Neuro Rehabilitation services for upper and lower limbs, Artificial Limbs services, Geriatrics services etc.

There are 4 ARCs, operational at Bhubaneswar, Sundargarh, Angul & Keonjhar. ARC at Angul & Keonjhar is supported by DMF fund of respective districts. The Advance Rehabilitation Centre (ARC) Bhubaneswar has fabricated and fitted to 610 beneficiaries with artificial limbs (Prosthesis and Orthosis) and similarly, 3168 sessions of advanced robotic therapeutic services has been provided during the year 2021-2022. Rs. 6.00 crore of budgetary allocation was made for the year 2021-22.

During the year 2021-22: -

- 1072 cases fitted with Prosthesis & Orthosis.
- 7537 Robotic Therapy Sessions provided.

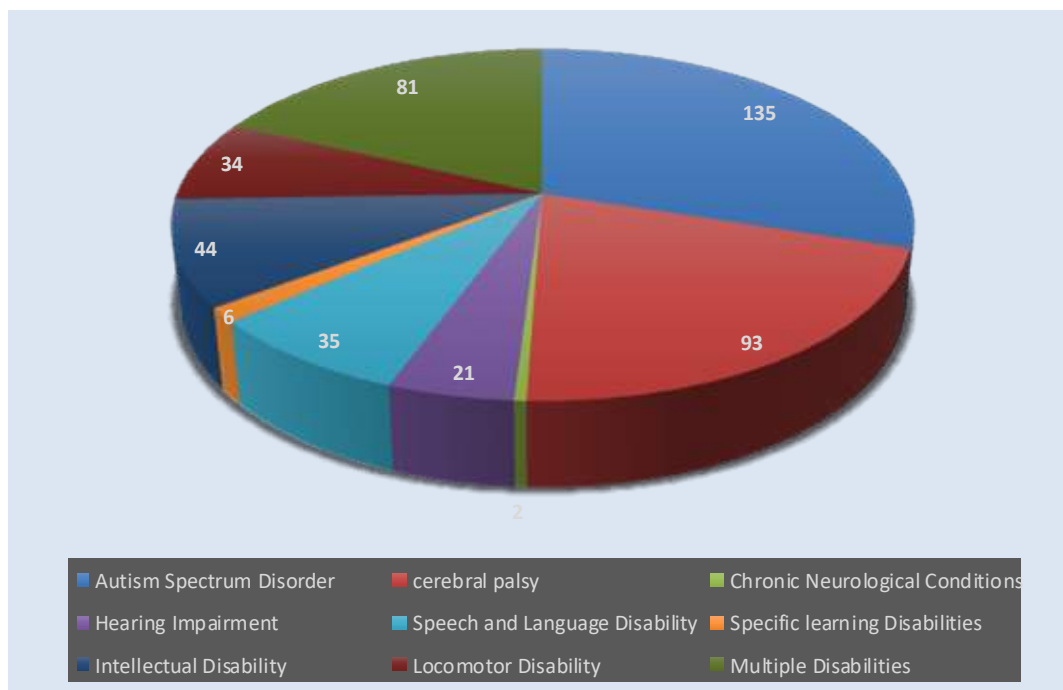

Functions of ARCs

State Institute for Empowerment of Persons with Disabilities (SIEP):

SIEP specially works for reduction of disabilities through early detection and intervention and addresses impairment cases in children. It also works for survey and identification, physical rehabilitation services including therapies and assistive devices. SIEP is focusing on providing ranges of therapies and pre-school level special education services to Children with Disabilities (CwDs) through its centre at Bhubaneswar and branches at strategic locations of the state. Reduction in dropout rate of the Children with Disabilities and providing quality vocational education for young PwDs is the main focus as well. SIEP is providing Housing facilities for the CwDs below 6 years along with their mothers to avail therapies and play school facilities. During the year 2021-22 an amount of Rs. 5.00 Crore has been allocated. 451 CwDs were mobilized to SIEP during 2021-22

Intake of CwDs

STATE INSTITUTE OF SPECIAL EDUCATION AND RESEARCH (SISER)

SISER is a collaborative venture of the Department of Social Security and Empowerment of Persons with Disabilities (SSEPD), Government of Odisha and National Institute for the Empowerment of Persons with Visual Disabilities (NIEPVD), Dehradun, (Under the Ministry of Social Justice & Empowerment, Government of India). It was formerly known as the Training Centre for the Teachers of the Visually Handicapped (TCTVH).

It receives grant-in-aid from the Department of SSEPD to manage the State Talking Book Library. The library has prepared CD Audiotext Books for Class-IX and Class-X and distributed CDs to the students with visual disabilities and Special Schools of the State. SISER also houses the Regional Sales Counter of Braille products of the NIEPVD, Dehradun.

SISER runs 2-year Diploma in Special Education -Visual Impairment- (D.Ed.-SE -VI) course with an intake capacity of 35 each year now, selected through an All-India Online Aptitude Test. The students with D.Ed. qualification are called the Special Educators who are engaged under Sarva Sikshya Abhiyan (SSA), Inclusive Education (IE) programmes, Special Schools and other organizations working in the field of rehabilitation of the visually challenged. So far 683 trainees/ Special Educators have passed out from the Centre. Apart from the regular two years diploma course, the Centre also imparts different Short Term & Refresher Courses.

The Department of SSEPD provides admission and examination fees to all the PwD trainees of SISER in addition to post-matric scholarship of the Government of India.

With an Objective of Manpower Development in the field of Special Education and Regulating and Monitoring the Special Education Training Centres recognized by Dept. of SSEPD, Govt. of Odisha, as per the SISER Resolution, the following Activities were undertaken by SISER in the year 2021-22:

- 30 number of Teacher Trainees got Class Promotion to 2nd Year D.Ed-SE(VI) Course, out of which, 02 SC, 02 ST, 18 OBC/SEBC, 07 PWD (VI) and 08 belong to General category. Average result was 98 percentage. 03 Trainees will reappear in one theory Paper each.
- 35 Teacher Trainees got admission for 2021-23 Batch through RCI All India Online Aptitude Test (AIOAT) list, out of which, 13 SC, 01 ST, 10 OBC, 02 PWD (VI) and 11 belong to General category.
- Readers Allowance @ Rs. 500/- per month is granted to the VI Trainees out of NIEPVD sanction.
- Free Music Training to the Visually Impaired Trainees of the Institute was provided by SISER.
- Yoga and Physical Education Training to the Trainees of SISER is being provided by a Noted Yoga Specialist.
- 24 Visually challenged trainees were distributed smart phones provided by NIEPVD under ADIP scheme.
- The various Braille products manufactured by NIEPVD, Dehradun, total 45 items, are sold in the Sales Counter in the subsidized rate as fixed by NIEPVD/Ministry of Social Justice & Empowerment, Govt. of India, for the benefit of the visually challenged of the State. In the year 2021-22 appliances worth Rs. 69,885/- have been sold in the counter.
- The State Talking Book Library, functioning under SISER, prepared Audio-Text Books from Class-I to Class-X and has offered materials in the form of CD and Pen Drive to the V.I. students and Special Schools of the State free of cost during the year 2021-22. The Special Schools, SSA Schools, NGOs & the visually challenged individuals of the State are benefited by this Library. All the materials are uploaded in the website of SSEPD Dept. for use of Special Children and Special Teachers.

- 07 Visually Challenged Teacher Trainees, who had not received Laptop from the State Govt. were distributed Laptop in the year.
- Admission and Examination Fees of 19 Visually Challenged Trainees continuing in the Academic Year 2021-22 were reimbursed on receipt of sanction from the State Govt.
- 2 CRE (Continuing Rehabilitation Education) Programmes were conducted as per the following:

Sl No.	Topic	Date	No. of Participants	RCI Credit Points	Level
1	Role of Special Education in National Education Policy-2020 & Orientation towards Inclusion	7 th June to 11 th June, 2021	30	30	State
2	Effectiveness of Mainstream Education for the CWSN - A Focus on Ground Level Reality	9 th Mar to 11 th Mar, 2022	129	18	National

Support to Braille Press, Berhampur for procurement of Master Braille Plate Maker for enhancement of their capacity:

SSEPD Department has provided financial support of Rs. 1,18,00,000/- from out of State Fund for PwDs during the year 2019-20, for procurement of one Brailletec PUMA-VII Braille Plate Making machine from Germany, which has the capacity of 18 Braille characters per-second. This unit will enhance the capacity of the press manifold.

Computerized Braille Press

The Red Cross Computerized Braille Press, the only Press of the state, was setup on 19th November 1986, by Government of Odisha under Red Cross School for the Blind and it was later converted into a separate entity in 2017, The Braille printing machineries were imported as Gift from Germany. That was the initiation of a mission nurtured with utmost care in all these years. It has been receiving Grant-in-aid from the Department of Social Security & Empowerment of Persons with Disabilities, Government of Odisha since the year 1985. The Press is functioning under the Collectorate, Ganjam.

During the year 2021-22 the Braille Press, Berhampur has distributed:

- 36,883 Braille text-books for class-1 to 10 with 34,80,864 Braille Pages.
- and 2,600 books for +2-1st year Arts students with 3,32,800 Braille Pages distributed to the Special Schools for the visually impaired and individual visually impaired students.
- The Braille Press has also distributed 4,000 odia calendars for the year 2021-22 for free distribution to the visually impaired literates of the State.

Budget allocation of Rs 16,76,626 sanctioned for the Braille press during the FY 2021-22.

During the year under report, SSEPD Department has funded for casting of RCC slab over the old building block of the Braille press, works of which are in progress under Ganjam R&B Department.

State Fund for welfare of PwDs

The state fund for People with Disabilities created during the year 2018-19 in pursuance to the provisions of Section 88 of Rights of Persons with Disabilities Act, 2016 and Rule 32 of Odisha Rights of Persons with Disabilities Rule, 2018.

Financial assistance under the Fund could be considered for the following areas/activities keeping in view the spirit of the RPwD Act and Rules made there under:

- Conduct survey to assess disability in the state.
- Assistance for strengthening Resource Centres on disabilities such as special schools, therapeutic centres, physiotherapy centres etc.
- Support to institutions/ schools for promotion of education among students with disability.
- Support certain exclusive needs of persons with high support needs as recommended by the Assessment Boards on specific recommendation by the districts on a case-to-case basis.
- Any other activities relating to PwDs rehabilitation not specifically covered under any schemes/programmes.

During the year 2021-22 the Survey of Children with Disabilities were assisted under the state fund. Allocation of Rs 3,18,28,000 was provided for the survey.

Composite Rehabilitation Centre (CRC)

The Composite Rehabilitation Centre (CRC) is proposed to be established at Jajpur for comprehensive rehabilitation for Persons with Disabilities. OMBADC will support one-time non-

recurring grant like building, equipment etc. for setting up of the CRC. During the year 2021-22, OMBADC has released Rs 10.49 crore. The construction of the CRC building is in process. The therapy equipment has been procured and installed at temporary building at Jajpur.

Steps are being taken to start the functioning of the therapy centre due to the huge public demand.

Survey of Children with Disabilities

During the year 2021-22 the Survey of Children with Disabilities in 30 districts was assisted under the state fund. Budgetary allocation of Rs 3,18,28,000 was provided for the survey. The survey included Training of Trainers (TOT) on 1st March 2021 at SISER, Bhubaneswar. The master trainers further trained the district level trainers and the district level trainers gave training to the AWWs in the block level on Door-to-door survey of children.

Training materials (Training Manual, Odia & English PPT, English & Odia Survey Format, Odia guideline, etc) were developed for the survey of CwDs. The door-to-door survey data were uploaded in the department website. The assessed CwDs were referred to the SIEP, ARC & DDRC for required treatment.

The following assessment was done from the Survey of the Children:

- 28056 Child Disabilities identified
- 2557 cases of CwDs were Assessed
- 52 cases referred to ARC
- 771 cases referred to SIEP
- 1982 referred to DDRC

STATUTORY BODIES

THE STATE COMMISSION FOR PERSONS WITH DISABILITIES

The State Commission for Persons with Disabilities (SCPD) has been created as per Section 60 of the Persons with Disabilities (Equal Opportunities, Protection of Rights and Full Participation) Act, 1995 with a mandate to take steps to safeguard the rights and services made available to people with disabilities. Presently it is headed by Shri Bhaskar J Sarma, IAS, this quasi-judiciary office points out the violation of the rights of the Persons with disabilities by different agencies and monitors the utilization of funds disbursed by the State Government and the services that people with disabilities are entitled to. The State Commissioner takes suo-motu cognizance of the violation of the rights of the persons with disabilities and issues notices to the erring parties. The SCPD also takes steps to increase awareness among stakeholders and service providers towards the implementation of the provisions of the PwD Act of 1995 and The Rights of Persons with Disabilities Act, 2016.

THE STATE CO-ORDINATION COMMITTEE UNDER THE RIGHTS OF PwD ACT OF 2016

The State Government has enacted Persons with Disabilities (Equal opportunities, Protection of right and full participation) Orissa Rules, 2003 to carry out the objectives defined by the Rights of PwD Act of 2016 including the constitution of the State Coordination Committee. A meeting of the State Co-ordination Committee of the PwD Act was held under the Chairmanship of Sri. Prafulla Samal, Minister, Department of Social Security and Empowerment of Persons with Disabilities, Government of Odisha.

It reviewed the activities of all the Departments of Government and other Governmental and Non-Governmental Organizations and outlined their mandates on matters of concern to people with disabilities. It deliberated on necessary policy changes in keeping with the Rights of PwD Act 2016 and suggested measures to ensure equality and improve the full participation of persons with disabilities. Notable among the decisions were steps to ensure barrier free environment in all public places, work places, public utilities, schools and other institutions; access to information, transportation, physical environment, knowledge, communication technology and services including emergency services; Insurance, Health Care, Safety and opportunities for Education, Vocational Training, Employment and Rehabilitation.

THE STATE EXECUTIVE COMMITTEE UNDER THE RIGHTS OF PwD ACT OF 2016

The State Executive Committee is the executive body of the State Coordination Committee and is responsible for carrying out the decisions of the State Coordination Committee. The Principal Secretary and Empowerment of Persons with Disabilities, Sri. Niten Chandra IAS, chaired the meeting of the State Executive Committee of the Rights of PwD Act of 2016.

It is to be noted that Odisha is abreast with the newly enacted legal provisions of the Rights of Persons with Disabilities Act 2016. The mandate of each Department of the Government of Odisha with regard to issues of concern to persons with disabilities was reiterated and the representatives of the Government Departments and institutions, non-governmental organizations and educational institutions were urged to be alert, pro-active and execute them with sincerity and enthusiasm.
